Twenty20 Community Cricket, a not for profit company, provide experienced qualified coaches who make cricket sessions fun for boys and girls of all abilities. If you've played before we'll help you improve and challenge you. If you're new to the game, we'll introduce you to the basics and help you learn, understand and appreciate cricket.

By the end of the summer we hope to have encouraged your child to want to play more cricket and maybe join their local club, if they haven't already done so.

Twenty20 Community Cricket provide all the equipment needed for our sessions.

Children should arrive promptly in their P.E kit or tracksuit.

Sessions take place outside but when the weather is bad sessions will take place inside.

All children should be collected promptly at the end of each session from the agreed place.
