27 January 2014

Dear Parents/Carers and Neighbours,

Proposed School Expansion – Notice of Public Consultation

The proposed expansion of Stamford Green Primary School has now been considered through the two stages of the educational consultation. Mrs Linda Kemeny, Cabinet Member for Children and Learning at Surrey County Council, has agreed that there is an educational need for Stamford Green to expand to take ninety children a year from 2015 onwards.

The School Governors have been working with Surrey County Council Officers and Architects to ensure that the new school environment will enable us to continue to provide for the needs of all our pupils both now and in the future. This includes the buildings, outside areas and safer access. We are very pleased to have reached the stage where we are able to share these plans with you and would like to invite you to a public consultation at Stamford Green Primary School where you can drop in to view the plans and talk to Officers from Surrey County Council and Governors and Staff from Stamford Green Primary School. Surrey County Council have today confirmed the date of this consultation which will be on Tuesday 4 February from 2.30pm – 7.00pm.

If you are unable to attend, the plans and feedback forms will be available on the School website from 5 February. Following the consultation the design team will review the plans and comments received and submit the final plans to the planning authority (Surrey County Council) by the end of February. The planning application period will run for approximately thirteen weeks during which time the planning authority will consult with interested parties and comments can be submitted relating to the application.

All future updates on the proposed expansion will be posted on the school website and interested parties are encouraged to check back regularly for up to date information at: http://www.stamford-green.surrey.sch.uk/3-form-entry/communication/.

We look forward to seeing many of you on Tuesday 4 February 2014.

Yours sincerely,

Mrs Louise Buckley
Chair of Governors
on behalf of the Governing Body
Stamford Green Primary School

Mr Bill Christie
Senior Project Manager (Schools)
Surrey County Council

Stamford Green Primary School, Christ Church Mount, Epsom, Surrey KT19 8LU
