

Stamford Green Primary School

8 September 2016

Dear Parents/Carers,

Reception Weekly Information 5.9.16 / 12.9.16

It has been lovely to meet some of the children during home visits over the past few days and we are looking forward to welcoming them all to school on Monday.

We hope you and your children are as excited as we are about them starting school. During the coming week we will be focusing on settling the children into school as smoothly as possible. We will be taking them on a tour of the school and, in class, we will be reading lots of stories and exploring all the fun things to do in our new classrooms. Maybe you could ask your child to tell you all about their favourite toy, activity or story?

Please remember that the first 8 school days will be a staggered entry for your child and they will not start full time until **Thursday the 22 September**. Once they start full time, school will start at 8.40am and finish at 3.00pm.

Just a quick reminder of the drop off and pick up times for the staggered entry days:

| Morning | Afternoon |
|--|--|
| Drop off at 8.40am at East or West Gate. Pick up at 12.00pm at East or West Gate. | Drop off at 12.20pm at East or West Gate. Pick up at 3.00pm at East or West Gate. |

If you are collecting from a different gate, please let the class teacher know via the Office or Communication books so we can take your child to the right collection point.

Please note, there will be a 'Welcome Meeting' on **Tuesday 4 October** at **2.15pm** in the Studio for RM and RW and in the hall for RD and RV. This is a chance for you to ask any questions you may have and also hear about what is taking place in Reception this year.

As part of ongoing home-school communication, we are asking if parents/carers could send us the occasional one or two line email to let us know about anything your child has been particularly enthusiastic about at school or at home e.g. 'Rupert has been telling us all about the story he heard today' or 'Zainab is loving learning about dinosaurs.' This will inform our planning, help to fully engage the children in their learning and is a fantastic way for you to share your child's interests with their teacher. Please see below for your child's teacher's email address:
