Hobbledown Details

We have been asked by Hobbledown to perform for the turning on of their Christmas lights. The children will need to meet by the entrance at 5.00pm wearing full school uniform and ready to perform for 5.15pm. As a thank you, they have offered to provide a guest pass for each child and accompanying parent, which will allow you to go in and play straight after school. Any other extra family members that want to come can have a 50% discount.

Please could you inform me if your child is not available to sing at an event detailed in the table above as this will assist with the event planning.

Thank you for your continuing support!
