Dear Parents/Carers,

## **PTA Christmas Tree Sale**

The PTA are pleased to announce that following the extremely positive feedback we received from parents over the last three years, we will once again be able to help make your Christmas festivity plans run a little easier by supplying your Christmas tree this year; ready for collection at our Christmas Market on Sunday 4 December 2016.

This means not only do we take the stress out of this Christmas job but you will also be supporting your child's PTA school fundraising projects.

We can supply Super Grade Nordman trees at a variety of sizes from small 2 – 3ft suitable for a porch, up to 8 – 10ft for those impressive dining room displays. Your tree will be delivered to the school and ready for collection at the Christmas Market. The trees are sourced from a reputable supplier and the PTA receives all the profit from each tree sold. We are pleased to say the prices remain the same as last year for the 2ft/3ft trees to 7ft/8ft trees.

Previously, Mrs Druce bought and took the last tree and was delighted with the shape and quality (see photo), as were many other parents!

Why not come along and not only collect your tree but also enjoy the sounds of the school choir singing much loved Christmas Carols, savour a mulled wine and mince pie, enjoy a bacon or sausage sandwich and maybe pick up a few last minute presents at our various stalls.

Christmas trees are available either by entering your Tucasi account and following the links to Christmas tree (you can make payment and select your tree size and quantity) or by completing the form below and returning it to the PTA post box with your cash or cheque (please mark envelope Christmas Trees). Don't forget to tell your friends and family that we can supply them too!

All Christmas tree orders have to be returned by Monday 21 November to guarantee a collection on Sunday 4 December.

Many thanks for your support.
