Dear **Name**,

My elves have been watching you closely this year. They have told me that you have started in your class **name** and that you are very good at **subject**. Your family are so proud of you and how you are following the school values.

They have also told me that you are getting better at **hobby** and that you can **hobby 2**. Well done!!

I am so happy to hear that you have had a good year, and I have enjoyed hearing all of your news.

Thank you so much for your letter—my elves also really like **item**. I am really looking forward to my journey on Christmas Eve.

PS: You might like to leave out a reindeer 'treat' for Rudolph. He would be very grateful !
