

# School Environment TLC Volunteer Day

Your school needs you!

**It is not how shiny and new our building is but how we take care of what we've got.**

**Date:**

Saturday 13 May 2017 – Drop in for as little or as much time as you can spare between 10.00am – 2.00pm.

**Refreshments provided:**

Tea/Coffee and Sausage/Bacon Baps

**Who:**

After the success of last year's volunteer day, Mrs Druce is looking forward to working with any Parents, Carers, Friends, Governors or Staff who are able to come along and help out. If appropriate, you might like to bring your child along with you and teach them how to do a job at the same time.

Below are some examples of the jobs that are on our to do list. All equipment and materials will be provided.

- Paint East Wing exterior walls white
- Trim trail maintenance
- Remembrance Garden shingle top up
- Pressure wash the moss away in Y1 Quad
- Paint serving area in hall by the kitchen
- Perimeter patrol and bramble/nettle chopping
- Development of YR mud kitchen

If you are able to help please email [info@stamford-green.surrey.sch.uk](mailto:info@stamford-green.surrey.sch.uk) or call 01372 725383 so we know how many sausages to buy!

Many thanks in advance.
