

## Messages from the Office

### Parking and Driving

Please can all parents using cars to bring and collect their child from school ensure they park legally and be considerate to our neighbours and pedestrians. The school car park is for staff use only.

We would be grateful if you joined in with the voluntary one way system, which is in operation at the start and end of the school day, in an attempt to minimise access difficulties around Christ Church Mount with cars.

To ease the congestion we would ask you to enter Christ Church Mount so that the school is on your left. Lower Hill Road and the rest of Christ Church Mount should then be used to exit. The system operates between 8.30am and 9.05am and between 2.55pm and 3.30pm.

**Parents of Y1-Y3 Children** - If you have not already done so, please could you return the Nasal Flu Vaccination consent form to the school office, even if you do not want your child to have it

### Year 1 Weekly Information w/b 10.10.16

This week is Golden Book week. The children will bring their books home next week to share their work they have completed this week. Please fill in the sticker at the end of their work and return to school. Hope you enjoy looking at all of the lovely things they have been doing and their hard work!

This week we will be continuing to read books by Jane Hissey. The children will be writing their own Old Bear stories this week.

Our test on the first 20 spelling words will happen next week – this will be done informally in class, and you will be able to see how your child gets on, as they will use the space in their Learning Journal. We are aiming to spell these correctly each time we use them in our own writing. The words for this half term are: a, I, in, it, on, is, at, up, as, an, if, off, but, can, had, not, mum, here, saw, said.

In maths we are practising our number bonds to 10. We will be finding ways of making 10 in different ways. In speedy maths this week we will be continuing practising to count objects and write numbers up to 20 at speed.

We would like to ask for your help in making sure that the children are dressed smartly in the correct school uniform. Long hair, from shoulder length, should be tied back with plain hairbands/clips (in school colours). Now that it is getting colder and more girls are wearing tights, please make sure that they are grey. Girls socks should be white. Cardigans and jumpers must have the school logo on them.

By now you will have seen the request for ingredients in your child's Learning Journal. Don't forget them for Wednesday, we are relying on a team effort to make our amazing mud pies! On Friday all Year 1 children will be in 1R during the Bake Off. Come to 1R to collect your "personal shopper" who will escort you into 1W to purchase your mud pies. Please come at the time stated below for the surname of your child:

9.00am – 9.15am – A - F

9.15am – 9.30am – G – L

9.30am – 9.45am – M – R

9.45am – 10.00am – S - Z

Your child will then return to 1R via the Year 1 outside area - they will not be able to tour the rest of the sale with you. Children will have the opportunity to buy (50p or donation) and eat a mud pie for themselves at the end of the sale (we will keep enough back for this). If you can't make the sale send a donation in with your child and they can purchase their own cake to bring home.

End of day schedule:

Mrs Williams and Mrs Sayers – East Gate

Mrs Rajeev - West Gate

Best wishes,

Mrs Williams, Mrs Sayers and Mrs Rajeev

### Year 2 Weekly Information w/b 10.10.16

In English this week, we will be using the text 'Alien's Love Underpants' to gain a deeper understanding of narrative texts. We will be using the illustrations as prompts to help us write descriptive sentences. We will also be creating our own characters and endings.

In maths, we will be finishing off our work on place value. The children will be spotting patterns when counting in 2's, 5's and 10's as well as 3's

Coming up soon in speedy maths (\* indicates new learning):

<b>w/b 10.10.16</b>	*Subtract 10 from 2-digit numbers at speed Add units to 2-digit numbers at speed Subtract units from 2-digit numbers at speed Know pairs of 10s to 100 Know $\frac{1}{2}$ of even numbers to 20 Count on in 2s
<b>w/b 17.10.16</b>	Calculate 10 more than 2-digit numbers Know addition facts to 20 at speed Calculate 10 less than 2-digit numbers Know subtraction facts to 20 at speed Know pairs of 10s to 100 Know pairs of numbers to 10 + 10

The Great Harvest Bake Off is almost upon us and we would like to remind you that Year 2 will be baking on Thursday 13 October, so please can the highlighted items on the sticker inside your child's Learning Journal be brought in on that morning. Please ensure any items of equipment are named. Please see below for a rota of when the children will be in 2B selling their creations. When the children are not selling they will be in 2G working on other activities. We will put aside a cheese twist for each child, so there's no need to buy one for them. Hope to see you there!

<b>9.00am - 9.15am</b>	<b>9.15am - 9.30am</b>
Aimee Bloomfield Bella Rae Brigden Emilia Christofides Ana Collins Katie Crane Zachary Curran Lottie Davis Connie Dilieto Scarlett Carswell Phoebe Christofides Evie Clanfield Ollie Costello Daisy Davies Louis Devivo Darcie Fitzgibbon Amelia Grace Hall	Austin Dolbear Louis Hannan Tallulah Henson Luca Johnston Izzy Jones Augustine Kandemir Ollie Lang Dylan Maw Isabella Hall Kaitlyn Hall Ollie Hoare Isabelle Jones Jed Jones Trent Jones Ainsley Kandemir Amy Matthews

Have a great week,

Mrs Glaister and Miss Burgess

### Year 3 Weekly Information w/b 10.10.16

In English this week, the children will be thinking about how to make their descriptive writing interesting. Using interesting description is one of our main focuses in Year 3 and the children will be developing a toolkit to use throughout the year. This week we will be describing the area around us and then using a video to write descriptively about a volcano.

In maths this week, we will be continuing our work on data. The children are going to be drawing bar charts and will make them more complex by varying the interval on the y axis. They will also be analysing the information in bar graphs so that they can answer questions. Towards the end of the week we are going to do some work on times tables and solving questions using our times tables knowledge.

Coming up soon in speedy maths:

<b>w/b 10.10.16</b>	Know 10 less than 3-digit numbers. Know 3x table at speed. Know 2x, 5x 10x tables and related division facts at speed. Double and half numbers to 20 at speed.
-------------------------	---

<b>w/b</b> <b>17.10.16</b>	Know 4x table at speed. Know 10 more than 3-digit numbers. Know 10 less than 3-digit numbers. Know addition and subtraction facts to 20. 2x, 5x, 10x tables including division facts.
-------------------------------	---

Our theme learning this week is moving on to looking at how fossils are formed and discovered. We will also be investigating different types of rocks, their properties and their uses.

Your child now has the name of their new Spanish pen pal and all pupils have made a sheet introducing themselves to each other. With your permission, please could they bring in a photograph of themselves to attach to their sheet, as it makes it much more exciting knowing what each other looks like! Please could they bring it in for the next Spanish lesson.

This week is also the school's Great Harvest Bake Off. The children all put stickers in their Learning Journals last week to indicate what they have volunteered to bring in and what extra ingredient their group has chosen to add. This week the children will be making their biscuits, complete with their group's choice of adaptation. They will also be creating decorations and planning how to organise the classroom.

On the day of the sale, the children will be staffing the Year 3 sale on a rota. Each child will be helping with the sale for 15 minutes.

Time	3L	3S
9.00am - 9.15am	Imogen Anderson Eleanor Bowler Nathan Cherrington Sophia Christofides Annabelle Crosby Oscar Donald Teddy Evans	Saisha Alva Yusuf Arain Iris Aryeety Evie Blackall Hayden Brady Oliver Burton Shay Chhatralia
9.15am - 9.30am	Charlie Foster Rosie Garner Ruben Hollinghurst India Johnston Anna Joyce Harpreet Kaur Niamh Kelly Eddie Kind	Lois Davies Hamish Donald Isla Fox Zachary Giles Lyra Hamilton Christopher Hedger-Hay Ethan Hill Daisy Jones
9.30am - 9.45am	Sophie Lewis Ewan McGhee Leo Morgan Alys Noble Bodie Oliver Jamie Peaty Maia Raja	Freya Loveridge Emily McPherson Arthur Petit Emily Pidgely Teddy Shaw Hridi Srirama Daisy Stambrey
9.45am - 10.00am	Lacey Sharpling Lola Sibelly Luis Thompson Jayden Thurston Rhea Tompsett Harvey Walters Daisy Williams Isaac Williams	Millie Stanborough Emilia Stanbridge Layla Steventon Callum Tasch Robyn Thompson Ben Williams Arthur Wisden

We look forward to seeing as many of you as possible at the sale.

Have a good week,

Mrs Smith and Mr Loughlin

### Year 4 Weekly Information w/b 10.10.16

In English this week, the children will be writing Greek myths, using their story mountains and including their own mythical characters. We will also be looking at how to correctly punctuate direct speech. Next week we will be testing the children on the first 20 words from the Y4 spelling list. Please can you support your child in learning these words.

In maths this week, the children will be continuing to work on shape, focusing especially on different types of angles and lines of symmetry.

Coming up soon in speedy maths (\* indicates new learning):

<b>w/b 10.10.16</b>	Know 7x table at speed. Know 9x table at speed. Add and subtract pairs of 2-digit numbers at speed. Know halves and doubles of numbers to 20. Know number bonds to 20.
<b>w/b 17.10.16</b>	*Know 8x table at speed Add and subtract hundreds and 3-digit numbers. Know 2x, 3x, 4x, 5x, 6x, 10x tables and related division facts at speed. Divide any number by 10. Know pairs of numbers to 100.

In our themed lessons this week, the children will be using their knowledge of Ancient Greek theatre to make masks. We have asked if children could please bring in appropriate newspapers to use for papier mache on Tuesday 11<sup>th</sup> October. In computing we will continue to be using Scratch to write our own algorithms.

On Wednesday Y4 will be cooking for the Harvest Bake Off! Please could children bring in the ingredients and equipment for making pizzas on this day (see Learning Journals for more information). All equipment should be named. The rota for children selling pizza slices is:

9.00am – 9.15am	9.15am – 9.30am
Dora Andric	Zachary Fitzgibbon
Nithyasri Annamalai	Daniel Gaunt
Millie Barnes	Abigail Harvey
Jessica Blunden	Harley Henson
Lily Brook	Billy Hicks
Lilly Cheeseman	Liam Houldridge
Dylan Evans	Eleanor Jones
Samuel Ferguson	Olivia Mary English
Esther Agbede	Mia Getty
Saffa Amer	Emma Glencross
Matthew Bone	William Graham
Ronnie Cartwright	Willow Grimshaw
George Claridge	Alicia Horsnell
Samson Cross	Zahra Hussen Mohamed
Grace Dalton	Nathan Kettles

9.30am – 9.45am	9.45am – 10.00am
Ella Jones Kai Jones Rebecca Joyce Praneeta Karjodkar Jade Knight Cerys Lyde Lucie Maher Daisy Moffat George Kilbride Zoe Lorenz Annabelle Loveridge Elsie Macaulay Zahra Maghooa Finley Morpew Thomas Oh Isla Oldham	Benedict Pocock Ayah Saad Ella Santos Lucia Senior Pratyush Shinde Amy Stevenson Sebastian Willcocks-Brown Jack Yeon Luke Oliver Millie Paine Darija Paskeviciute Jasmine Pelton Diego Pitirimovas-Mijares Saskia Theodosiou Lara Todd Dimitris Tsatsi

Thank you for your support of this event.

Please can you check that your child has their own jumper/cardigan as a few have gone missing.

Have a good week,

Miss Jenkins and Mrs Spooner

### Year 5 Weekly Information w/b 10.10.16

In English we are looking at the process of writing stories. Children will be exploring the techniques used to hook readers. Children will then write their own story, focusing on character, setting and establishing suspense.

In maths children will be undertaking range of investigative problems. They will explore different approaches and evaluate how useful known strategies might be in solving the problems.

<b>Wb 10.10.16</b>	Know pairs of numbers to 180.	Add and subtract pairs of 2-digit numbers at speed. Continue simple number patterns Use tables to work out related $\times$ and $\div$ at speed.
<b>Wb 17.10.16</b>	Convert m to km and vice versa	Know pairs of numbers to 90 Know all tables to 12x12 including division facts at speed. Know pairs of numbers to 180. Convert cm to m and vice versa

Please can the children learn the fifth set of five spellings from their Year 5 list in their journal and their 6 times table for Friday 14 October. (Children are also tested on previous tables too, so if they know their 6s then they should also be looking at what else they can learn.)

We will be cooking for the Great Harvest Bake Off on Wednesday 12 October and your child should already have brought home a list of the exact items that they need to bring in. Your help with this would be very much appreciated.

We look forward to seeing as many of you as possible at the sale on Friday. Please refer to the rota below to find the exact time that your child will be selling their wonderful efforts!

Best wishes,

Mr Vidal, Mrs Peters and Mrs Jayasuriya

9.00am - 9.15am

### **Year 6 Weekly Information w/b 10.10.16**

In English this week, we will be looking at the features of newspaper articles. We will be writing our own articles based on events from our learning about the Suffragettes.

In maths, we will be spending time consolidating our number knowledge with a particular focus on decimals, including adding and subtracting.

In speedy maths this week, we will be covering:

<b>w/b:</b> <b>10.10.16</b>	Convert ml to l and vice versa X and ÷ using tables facts at speed. Know pairs of numbers to 90 Add and subtract pairs of 2-digit numbers
--------------------------------	--

In our themed learning this week, we will be moving on to study the beginnings of the black civil rights movement in the USA.

For the Great Harvest Bake Off this Friday, the children will be selling their products at the following times in 6KB:

9.00am - 9.15am	9.15am - 9.30am	9.30am - 9.45am	9.45am - 10.00am
Charlie A	Lucia	Lara	Jack
Charlie B	Scarlett	Bethan	Izzie
Johnny	Oscar	James	Rebecca
Ollie	Luca	Christopher	Daniel
Saxon	Archie	Christina	Noah
Sarah	Amelie F	Adam	Mia
Lizzie	Lia R	Sophie H-G	Emily
Molly	Toby S	JJ	Beatrice
Maddie	Nathan	Alex	Orla
Lillyrose	Laurie	Leah S	Joshua
Elliot K	Ava	Tabi	Tomas
Emily M	Emilie	Tilly	Sunshine
		Luke	Cameron

In the Hall serving tea and coffee – Eliot F, Sophie G, Ella B, Otto, Freddie, Toby H, Ella C, Mia S  
On the door – Hugo, Amelia R

Please could we remind you that applications for secondary school need to be submitted by Monday 31 October.

Have a lovely week.

Miss Bidwell and Mrs Beunderman
