

# Stamford Green Primary School

6 January 2017

Dear Parents/Carers,

## **Y5 Astrodome Workshop – Thursday 9 February 2017**

As part of the learning in science we have arranged for Astrodome, a mobile planetarium, to visit school on Thursday 9 February 2017. The presentation takes the children on an imaginary space flight from Earth to the outer edges of our solar system, teaching the all-important movements that affect our everyday lives. It includes explanations of Night and Day, Earth and Moon Systems, Eclipses and much more and promises to be a very exciting and interesting morning.

You are invited to make a voluntary contribution of £2.67 to cover the cost to the school of your son/daughter taking part in the workshop described in the information set out above. We confirm that the voluntary contribution represents our estimate of the costs of providing this activity shared equally amongst all pupils. As the resources of the school are limited, the proposed workshop will not take place if there are insufficient voluntary contributions to cover the cost. If you would like to pay and are currently experiencing financial difficulties please come and discuss the trip and payment with Mrs Druce as there is always a solution and absolute confidentiality is assured.

If you would like your child to take part in this workshop, you will need to log into Tucasi go to the trip section and pay £2.67 by Monday 6 February 2017. If you have any problems using the online payment system Tucasi, please contact the school office or email; [info@stamford-green.surrey.sch.uk](mailto:info@stamford-green.surrey.sch.uk)

Kind regards,

Mr Vidal, Mrs Peters and Mrs Jayasuriya  
Y5 Class Teachers
