

Stamford Green Primary School

28 June 2017

Dear Parent/Carer,

Epsom and Ewell Schools YR and KS1 District Sports Event

Your child has been selected to represent the school in the borough KS1 District Sports event on Friday 7 July at Meadow Primary School (Sparrow Farm Rd, Epsom, KT17 2LW).

The main purpose of this event is to give the children the opportunity to compete against other schools in a fun way. There will be four different types of events: long distance running, sprint races, standing long jump and overarm throwing. The throwing and jumping events will happen whilst the long distance running is going on with the sprint races being the final event.

The event is due to start at 9.45am therefore please ensure your child arrives at The Meadow by 9.30am. Parking is available in Nonsuch Park (North Cheam side) which is a short walk from the school. You will not need to come to school first as the register at Stamford Green Primary School will be marked accordingly. Parents are very welcome to stay and spectate.

The children will need to be in their school PE kits, which will be sent home on Thursday and have plenty of water and a snack to keep them going. The event is due to finish by 11.45am but you can return your child to school, straight after they have completed their event, if you wish. All the children will be provided with a school lunch as normal here at Stamford Green upon their return. The children will be expected back at school for the afternoon but they can return in their PE kits and if they are delayed at the event, again the register will be marked accordingly (approved sporting event).

The following children will be representing the school:
