Dear Parents/Carers,

## Reception Children's Technology Survey

As we approach the end of the children's Reception year, we are asking for a little bit of information about their use of technology at home. The children have access to a wide range of technology at school but we feel that your input will provide us with a 'bigger picture' of your child's interests and capabilities.

It would greatly appreciated if you could fill in the five questions below and return to school as soon as possible.

Thanks in advance for your help,

The Reception Team

Mrs McCarthy, Mrs Dryland, Mrs Vidal & Miss Wright
