

# Stamford Green Primary School

10 October 2017

Dear Parents/Carers,

## **The Big Draw Art Event**

We are pleased to inform you that your child has been selected to attend The Big Draw in Epsom Square and Epsom Library on Friday 13 October 2017.

The Big Draw is a drawing festival that happens internationally throughout October in many different locations. The children will be working alongside other local schools and 15 local illustrators and passionate artists to create large-scale drawings. There will also be small workshops (iPad animations; collage workshop; spirals workshop; Cathy Brett teen illustrator workshop); and library events.

We will be walking to Epsom library in the morning, leaving at 9.30am and returning at lunchtime so that the children can eat at school.

Please note that photographs will be taken at this event and potentially used in The Epsom Guardian and for social media to promote the event. However, all children remain unnamed in these photographs.

The following children will be representing the school:

Daisy Williams, Hayden Brady, Maia Raja, Maria Jegunova, Emily McPherson, Millie Stanborough, Harvey Walters, Arthur Wisden, Lyra Hamilton and Jayden Thurston.

If you have any further questions or queries please do feel free to email me.

Kind regards,

Miss Burgess  
Art Leader
