Measles – Message from the Local Authority

There is a measles outbreak in Surrey affecting unimmunised children and adults. Measles is highly infectious. It can cause serious illness and can sometimes be fatal. **Vaccination with 2 doses of MMR is the only way to protect children and young people.** There are also measles outbreaks occurring in Europe, particularly in Romania, Italy and Germany, and if you are planning to travel overseas please ensure that your child is up to date with their routine immunisations, including MMR.

The first MMR vaccine is given to toddlers at the age of 13 months and the second injection at around 3 years and 4 months before your child goes to school. MMR can be given to older children, teenagers and young adults if they missed their injections when they were younger. **Contact your GP practice if your child needs an MMR vaccine.** The vaccine is free. If you are not sure if your child needs an MMR vaccine, you can contact the GP to ask.

Measles is not just a little kids' problem. Teenagers, young adults and anyone who has missed their MMR vaccination can get measles. The first signs of measles are fever, cough, runny nose and red sore eyes. After a few days, a spotty rash will appear. It starts on the face and neck before spreading to the rest of the body.

If you think your child has measles, ring your GP practice for advice. Don't turn up to the surgery, walk in centre or to accident and emergency without calling ahead. The doctor will make special arrangements to see your child so that if your child has measles – they won't pass

it on to others. Keep people with symptoms of measles away from others to avoid spreading measles, and stay away from school, nursery or work for 5 days after the onset of rash.

If you would like more information, see <https://www.nhs.uk/conditions/measles/>

Year 1 Weekly Information w/b 18.12.17

The children are all looking forward to Christmas. Thank you very much for providing the party food for our class parties this afternoon.

On Wednesday we will have time for Show and Tell. If your child would like to bring something to talk about – or a photograph of large or precious items – they should bring it on Wednesday morning and give it to their teacher for safe-keeping. No toys please!

Please be aware that school finishes at 12.50pm on Thursday for Year 1.

On Thursday your child will bring home a letter with a short task to be done over the Christmas holidays. This is not intended to be onerous and we hope it will give your child an opportunity to find out some things about their family and its history.

We have been so impressed by all the hard work that 1W, 1F, 1R and 1W have put in this term. What a lot of examples of effort and resilience we have seen. A huge well done to all the children! We would like to take this opportunity to wish you all a very merry Christmas and a happy new year!

Best wishes and Merry Christmas,

Mrs Williams, Miss Rose, Mrs Fahey and Miss Abela.
