

Stamford Green Primary School

4 October 2017

Dear Parents/Carers,

Silver Smarties fundraising for the Y1 outside area

Today your child has come home with a tube of Smarties for a Y1 fundraising activity and we kindly ask that over the next two weeks they help you, a neighbour or a relative in exchange for 20 pence pieces. Your child can then try to fill up their empty Smarties pack with the 20 pence pieces they have earned and we ask that you please return it to school by Monday 16 October 2017.

All the money raised will be spent on developing the Y1 outdoor area so that it is a lovelier place for the children to be. This year we are aiming to carry on with our gardening initiative and grow even more vegetables as our potatoes last year were a real success! We are also hoping to regularly take our learning outside and use the space so will be asking the children for their ideas about the activities they want to do.

As you can see, this project is all about improving the space for the children so I hope you feel inspired to help us with filling the Smarties tube and we really do appreciate your support.

DONT EAT ME AND FORGET ME!
Fill me up with 20p pieces !!

We hope that the children enjoy becoming our young fundraisers and if each child collected half a tube of coins this would really help us raise some additional funds to contribute towards the project.

Thank you very much for your anticipated support.

Mrs Louise Druce
Headteacher
