

Stamford Green Primary School

1 May 2018

Dear Parents/Carers,

Y5 Roman Day – Wednesday 9 May 2018

To add excitement and drama our learning this term about Romans, we have arranged for Legion XIII to visit us at school on Wednesday 9 May 2018. Legion XIII are a drama group who will show the children the domestic side of Roman life with amazing costumes and artefacts. We would love the children to dress in the style of a Roman for the day. Some examples of this can be found below but a plain white or red t-shirt and leggings/shorts will be perfectly acceptable too as it is just a bit of fun and much can be achieved with things that can be found at home already.

There will be no charge associated with this visit as it will be funded from the money raised later this term from the Year 5 enterprise project where they will be selling ice lollies after school.

Thank you for your anticipated support.

Kind regards,

Mrs Beunderman, Mrs Jayasuryia and Mr Vidal
Year 5 Class Teachers
