

Stamford Green Primary School

16 April 2018

Dear Parents/Carers,

Nursery Weekly Information – w/b 16.4.18

Welcome back! We hope you all had a lovely Easter. The children loved taking part in the Easter challenge and we would like to say a massive thank you to the PTA and parent helpers who came and helped out on the day.

We will be repeating the sound, number and shape of the week from before Easter as we had a shorter week.

This week we will be starting a new theme of learning 'Once Upon a Time'. We will be starting our theme with 'pirates'

This week:

- We will be making pirate crafts to help us in our role play- telescopes and pirate hats.
- We will be drawing treasure maps and hunting for pirate treasure.
- We will be telling everyone our Easter news.
- We will be playing in our new decking area being built over the Easter holiday.

Nuts

Another reminder that as we are a nut free school (including pesto and chocolate spread) we cannot let children eat items if we see them in their lunch boxes. This is to protect children in the school who have a severe nut allergy. We will always try to provide a replacement item if possible (a piece of fruit). Thank you for your understanding in this matter.

Water Bottles

Please can you check your child's water bottle has a name. Children should only have water in their bottles not juice or squash.

Uniform

Some parents have been asking about uniform. Summer dresses are not introduced until children join our Reception year. Please see the link for details of our uniform: <http://www.stamford-green.surrey.sch.uk/parent-zone/nursery/uniform/>

Thank you,

Mrs Frost and Mrs Hughes

Games & Puzzles

Mrs Frost is looking to restock on lots of games and puzzles. If you have any that you are able to donate, please let Mrs Frost know: frostv@stamford-green.surrey.sch.uk

Headlice

Headlice is an unfortunate hazard of school life and appears to be prevalent in Year 2 and Year 5 at the moment. Could we please ask all parents to check your child's head regularly and if lice is found, ensure immediate treatment. The following website has some useful information. www.onceaweektakeapeek.com
