

18 December 2017

Dear Parents/Carers,

## Nursery Weekly Information – w/b 18.12.17

We hope you enjoyed our first Nursery Nativity Tableaux, we are very much looking forward to the rest of the Nursery children performing tomorrow.

This week:

- WE WILL BE HAVING CHRISTMAS FUN!

Number of the week	Shape of the week	Letter of the week
Revising all numbers so far	Revising all shapes so far	Revising all letters so far
Sounds learnt so far – s, a, t, i and p		

### Nursery Nativity Tableaux

Here are a few reminders for the Nativity Tableaux

- Tuesday 19 December 9.00am – performance for all children attending Nursery from Monday – Wednesday morning
- Please join us for photos and refreshments afterwards
- The children must wear their costume into school on the day of the performance. They will all need a change of clothes for afterwards. No party clothes required

### Class Party

Our class party will take place after the performance on Tuesday (only for children who are full time or attend Mon to Wed). It would be great if your child could contribute an item. Please look inside your child's Learning Journal for the sticker which tells you which items to bring in. The children will not require party clothes.

### Hats, Gloves and Scarves

Please can you ensure that all their items are named, it is a very tricky job to ensure all items go home with the correct children.

### Nursery Books

Please can you ensure that any books your child has borrowed are returned by Thursday 21 December as, our selection of books is running low. This week we will be collecting in books but not sending any home in order for us to sort them ready for after Christmas. There will be a box on the steps of the Swans room where you can drop off all books.

Thank you all for your support this term. Your children have been an amazing group of children to teach and we've loved every minute this term.

On behalf of the whole team we would like to wish you a very happy Christmas and look forward to seeing you in the New Year!

Thank you,

## Messages from the Office

### Nursery Forms

Please could all parents return their signed registration or declaration form to Mrs Noble by the end of term. Nursery fees for next term will be available to view and pay on Tucasi by the end of this week. Please be reminded that fees are due before the start of next term.

### Marks and Spencer Your School Uniform Free Delivery Promotion!

From 24 December 2017 to 13 January 2018 (inclusive) M&S will be offering free delivery on all Marks and Spencer Your School Uniform orders. Furthermore, anyone who places an order will receive a unique code that will be sent via email (once the order has been processed). When used at checkout on M&S.com, this will give free delivery also on any products in the M&S kidswear range over the same period. Please note this code may be used once only and is exclusive to customers of schools who use the M&S Your School Uniform Service.

### Measles

There is a measles outbreak in Surrey affecting unimmunised children and adults. Measles is highly infectious. It can cause serious illness and can sometimes be fatal. **Vaccination with 2 doses of MMR is the only way to protect children and young people.** There are also measles outbreaks occurring in Europe, particularly in Romania, Italy and Germany, and if you are planning to travel overseas please ensure that your child is up to date with their routine immunisations, including MMR.

The first MMR vaccine is given to toddlers at the age of 13 months and the second injection at around 3 years and 4 months before your child goes to school. MMR can be given to older children, teenagers and young adults if they missed their injections when they were younger. **Contact your GP practice if your child needs an MMR vaccine.** The vaccine is free. If you are not sure if your child needs an MMR vaccine, you can contact the GP to ask.

**Measles is not just a little kids' problem.** Teenagers, young adults and anyone who has missed their MMR vaccination can get measles. The first signs of measles are fever, cough, runny nose and red sore eyes. After a few days, a spotty rash will appear. It starts on the face and neck before spreading to the rest of the body.

If you think your child has measles, ring your GP practice for advice. Don't turn up to the surgery, walk in centre or to accident and emergency without calling ahead. The doctor will make special arrangements to see your child so that if your child has measles – they won't pass it on to others. Keep people with symptoms of measles away from others to avoid spreading measles, and stay away from school, nursery or work for 5 days after the onset of rash.

If you would like more information, see <https://www.nhs.uk/conditions/measles/>
