This week:

- We will be printing with circles

- We will be operating remote control cars
- We will be making necklaces and introducing the concept of pattern
- We will search for insects in our playground
- We will be having fun with the parachute

Encouraging Independence

The children did so well at coming into nursery without a grown up! We were so proud. Our aim is for all children to wave goodbye at the door. It is very important they are encouraged to do this, especially for those starting Reception next year. Please could you talk to your child about it at home and give lots of encouragement. We know it is really tempting to peer in through the window once you've said goodbye but this can lead to some wobbles from the children, please be brave and trust they are in and settled!

World Book Day

Next week on Thursday 1 March, we celebrate our love for reading with **World Book Day!** The children are all invited to come to school dressed as their favourite book character for the day. They will be excited to see the whole school and all of the staff dressed up too! When choosing your child's costume, please bear in mind that they will be wearing it all day and it should be something comfortable and warm. Please make sure that all of your child's bits and pieces are name-labelled (as well as their books if they want to bring in a favourite).

Eco Week

Thank you for all your recycling, we have made some wonderful pieces of art that can be seen hanging in our playground.

Reading books

Please can all reading books be returned as our stocks are running low once again. When we carry out our 1:1 reading session with your child, we will no longer give out a new book if the already borrowed book is not in their bag. We will still read with your child but they will not be able to choose one to bring home.

Thank you,

Mrs Frost and Mrs Hughes
Nursery Class Teachers / Leaders of Learning
