Dear Parents/Carers,

Nursery Weekly Information – w/b 8.5.18

We hope you enjoyed looking at your child's learning in their Discovery Folders at the Class Open Time last week. We are so proud of how much they have learned and the progress they have made. Thank you for the positive comments and feedback we received.

We are rounding off our pirate learning this week.

This week:

- We will be continuing to make pirate treasure maps.
- We will be designing and building pirate ships using natural materials and junk modelling. We will then test them out sailing them in the water tray.
- We will be using our shape knowledge to sort pirate treasure shapes.

Please can these be returned by the end of the week. Remember to write a positive comment about your child's learning on the sticker provided.

Sun Protection

Hopefully the sun will continue to shine for us so please can children have sun cream applied which lasts 5 - 6 hours before they come to school. We will of course ensure children are in the shade and are not out in the sun for extended periods of time. Please ensure sun hats are named and sent in for us to use.

Thank you,

Mrs Frost and Mrs Hughes
