

Stamford Green Primary School

26 September 2018

Dear Parents/Carers,

The Big Draw – Art Event

We are pleased to inform you that your child has been selected to attend 'The Big Draw' in Epsom Square and Epsom Library on Friday 12 October 2018.

The Big Draw is a drawing festival that happens internationally throughout October in many different locations. The children will be working alongside other local schools and fifteen local illustrators and passionate artists to create large-scale drawings. There will also be small workshops (iPad animations; collage workshop; spirals workshop; Cathy Brett teen illustrator workshop) and library events.

Members of staff will be walking to the library with the children, in the morning leaving at 9.30am and returning in time for lunch.

Please note that photographs will be taken at this event and potentially used in The Guardian and for social media to promote the event. However, all children remain unnamed in these photographs. If you have any further questions or queries please email me.

The children invited to participate in the event are: Ella P, Eddie M, Trent J, Heidi R, Vishal S, Sophie T, Ollie H, Sam W, Evie C and Tallulah H.

Kind regards,

Miss Burgess
Art Leader
