Headteacher's Headlines

www.stamford-green.surrey.sch.uk

Dear Parents/Carers,

I know you will all be scrolling down to see who your child's teacher is but please come back to this part of the newsletter, as I need to acknowledge all the support for the PTA Summer Fun Day that happened on Saturday.

There is a huge team of people to thank with regard to before, during and after Saturday. The planning and preparation before such an event is not to be underestimated and neither is the setting up or clearing down. So if you were involved in the aforementioned or you volunteered on a stall or you came and supported the event - I'm truly grateful for your support, time and energy.

To Louise and the Summer Fun Day Committee I send my heartfelt thanks. The planning and organisation that took place and transformed the school for a day was amazing.

I also need to thank the staff for their spirit of togetherness in supporting PTA events throughout the year with such enthusiasm. Can anyone beat Mrs Smith's class in the jam jar collection next year? 3S enjoyed some extra play as their prize along with 5PJ who showed great entrepreneurial spirit and came a close second. This combined with the fact that 5Pj were the first class to fill their volunteer slots meant that the PTA wanted to reward them too.

It is both a privilege and a pleasure to work alongside and for the PTA as everything benefits the children. To see the school community working together and having fun at the Summer Fun Day was indeed inspiring.

Best wishes,

Louise Druce

TOGETHERNESS

Due to the school expansion the Governors have reviewed our staffing structure and from September I am pleased to announce that Mrs Vidal has been appointed as our first Assistant Headteacher with responsibility for children in Nursery, Reception and Year 1. This addition will complement our existing Leadership and Management team and as the school grows our phase 2 and 3 leader roles will also change to Assistant Headteacher roles.

We welcome seven new teachers to Stamford Green in September. Here is a little bit more information about all the new staff members joining us in September 2017;

Mrs Frost (Nursery Teacher Monday - Wednesday)

My passion is to have a class full of happy, smiling Nursery children who love coming to school. I want a classroom bursting with laughter, creativity and colour! I am looking forward to being part of Stamford Green Primary School and having the opportunity to build the new Nursery, it's so exciting.

Mrs Hughes (Nursery Teacher Wednesday - Friday)

My passion is taking learning outside and following children's interests. I'm looking forward to meeting all the lovely Nursery children and welcoming new parents to our fantastic school. I also am looking forward to getting stuck into all our fantastic new resources!

Miss Verlander (Reception Class Teacher)

Hello, I am Miss Verlander. Outside of teaching I love spending time with my friends and family, going to the gym, and painting. During the holidays I love to see different places and try to travel as much as I can. My passion is working creatively with children to help them develop confidence and a love of learning! I am looking forward to joining a school full of passion and energy, and I can't wait to start working with my new class and colleagues.

Mrs Fahey (Year 1 Class Teacher)

I'm a cheerful and friendly person who enjoys reading and spending time with friends and family. My passion is seeing the children develop their life long learning skills through enjoyment. I'm looking forward to working with the Stamford Green team to help the children to be the best they can.

Miss Abela (Year 1 Class Teacher)

Hello, my name is Miss Abela. I have just finished studying Primary Education at The University of Roehampton, where I have had teaching placements in a nursery school, in a year one class and in a year two class (at Stamford Green!). I'm passionate about anything creative. I love making things, especially with textiles, and I hope that I can bring my creativity into my classroom!

Miss Rose (Year 1 Class Teacher)

Outside of school I enjoy taking part in challenging leisure activities, I recently completed my first sky dive and will be attempting my first half marathon next year. My passion is to inspire children to challenge themselves both inside and outside of the classroom. I'm looking forward to taking my first Year 1 class at Stamford Green and becoming part of the school community.

Mrs Temlett (Year 2 Class Teacher)

Having recently completed my PGCE at Stamford Green and St Mary's University, I am very excited to be joining the Y2 teaching team. I used to be a Managing Editor so I love reading, writing and grammar. I also have a BA(Hons) in Ancient History and Egyptology and I am studying for a Masters degree in Education. I live in Epsom with my husband, our two children, a puppy and two chickens. In my spare time I enjoy teaching Pilates and drawing portraits of people. My passion is learning new things. I am also passionate about helping other people. I am looking forward to all the fun we are going to have learning together in Year 2.
