

# Stamford Green Primary School

## Minutes from the Parents' Forum Meeting – Friday 4 December 2015

In attendance:

Parents:

Rebecca Jennings, George Noble

Staff:

Louise Druce, Jo Lee

### **Uniform**

LD provided update from the consultations. The parents were split with some favoring a tie and others not. LD has consulted with the children – the vast majority preferred no tie so this is the route we will be following.

LD had been looking into the issue of children marking each other's clothes with marker pen. We would do some work on this with the children to promote using the pens sensibly with praise if children were sensible and use of steps if not.

### **Welcome meetings**

LD said that these would take place in July next year so parents could prepare their children for their next class over the summer.

### **Lost Property**

GN is working on developing a lost property app and asked if the school would be interested in trialing it. JL said lost property wasn't a huge issue but we would be happy to be part of a trial.
