

Colourful plans for 2022

We hope everyone enjoyed the Winter Wonderland in it's new format. It was so lovely to continue, after Fireworks, welcoming families and children back into the school.

A huge thank you to all our volunteers, especially our Year 6 helpers who ran the games stalls. The feedback from other parents regarding their help on the night and how well they ran the games was fantastic. Well done Year 6! We raised £8,118 from this and all our Christmas activities and we look forward to sharing how the money is going to be spent in the next bulletin. Thank you!

This term we will be having a class reps coffee morning and will be discussing plans for the inclusion of all Stamford Green support staff in the teacher/TA collection activities. As a successful and growing school we now have a number of critical members of staff that are around the classrooms every day and help to ensure the smooth running of the school and create a friendly and safe environment for children every day. Their contribution to school life is really important so we want to discuss how we include them.

This term there are some exciting events in the pipeline including Crazy Hair Day coming up very soon, our 2nd Sunflower Growing competition and our annual Easter Challenge. We are also looking for volunteers to help organise a possible Quiz Night and Barn Dance. Next term we are hoping to have our inaugural Stamford Green Colour Run so please save the date— Saturday 21 May.

Please do get involved this year. It's hugely rewarding getting to know parents, children and families across the school, having fun and raising funds for worthwhile projects for our children.

Wishing you all a very happy and healthy 2022.

Stamford Green has regularly hosted a quiz night and are looking for a volunteer, or group of volunteers, to organise and run the event this year.

The format normally comprises of a few different rounds of quiz questions, a bar during the event and a hot meal provided by an external catering company.

The date and format for this year's event would be decided by the organising individual/team.

A big thanks you to Georgina Preston and Shelly Illingworth for organising the activities again this year.

Barn Dance [to be confirmed]

Due to Covid we had to postpone plans last year for a Barn Dance. We have a deposit and company lined up should we wish to pursue organising the event this year.

We would need a volunteer or group of volunteers to plan and organise this event for the PTA.

Please get in touch at ptastamfordgreen@gmail.com by February Half Term if this is something you'd like to get involved in.

Colour Run—
Saturday
21 May 2022

Covid and the lockdowns have been tough for everyone, and for some even more than others.

The PTA, alongside the staff at Stamford Green want to bring a surge of colour, positivity and inspiration for families and children this year with our inaugural Colour Run.

More details to follow shortly as this will be an event not to be missed!

Who will inspire you? How far will you run? How colourful will you be?

First and foremost this will be a fun event for the school community, but all funds raised will be going towards developing the play time equipment for the children.
