

# Stamford Green Primary School

'Community enrichment through fun and fundraising'

June 2021

## Re-inventing the Summer

It has been so lovely to enjoy some summer weather recently, and to be able to spend some time again with friends and family with the easing of lockdown. Many of the children will have enjoyed a Thrive experience this term with great trips organised by the school and some more sense of normality emerging.

There have been some new events this term in place of those that cannot go ahead due to Covid restrictions including Doughnut sales, Easter Raffle and our Sunflower Growing competition. We have also launched the 200 Club and have seen two winners so far—congratulations! Our 2nd had uniform sale continues to thrive as a great enterprise for the school.

For the next academic year Ann-Marie Carlin and Sarah Smith will be taking up the roles of joint PTA Chairs and we thank them for this and wish them the very best. Our AGM will take place in September and we welcome all parents to come along—more information to follow.

Thank you to all our parents and carers who have supported us physically, virtually or with ideas for new events this year.

We hope you enjoy the rest of term.

### Mufti Day for Y2, 3A and Y5

Y2, 3A and Y5 will have their mufti day in exchange for a donation to the PTA on Wednesday 7 July.

Woo Hoo!!!!  
£7,427 raised.  
Thank you!

We have not let Covid and the pandemic quash our fundraising efforts and the PTA have raised £7,427 so far this year. Thanks so much to everyone who has supported the school and these initiatives and events.

**200 Club**

A huge congratulations to the Gordon and Tebbett families for winning the 200 Club this term. Amazingly the Tebbett family won twice in a row with 2 different numbers—what are the chances of that!

Thank you to Kim and Darren Hull for organising.

**Easter Hamper**

Well done to the Wan and Cranfield families for winning the Easter Hamper and thank you to Leigh-Ann for creating them.

**Doughnut sales**

These have been a huge hit with children and parents alike, and following the initial sell out a year system schedule seems to be working much better.

More sales at the end of this week—Yum!!!

A big thank you to Anne-Marie Carlin for the 2400 doughnuts sold and over £1000 raised.

## Sunflower Growing Competition

Thank you to everyone who has participated in this competition. We have seen some amazing drawings and some very 'green fingered' children given the height of some of the flowers already! Over £600 was raised.

- **Best drawing of a sunflower** – Congratulations to Poppy Smythe (1B) for her beautiful still life drawing of a sunflower. 1B also had the highest number of entries so are very deserving of their mufti day. Drawings by **Ava Palmer (2G)**, **Viggo Kowalski (RT)** and **Jacob Coxon (4W)** were also highly commended. Well done all.
- **Best photo with a sunflower** – congratulations to the winners of the Best Photo Category, **Max Kelly (RVB)** and **Henry Lee (4V)**.
- **Highest sunflower** – **George Lorraine (RT)** has grown the most incredible sunflower measuring 188cm tall so far! What a great first record to be set. Congratulations George. What is your secret? We had 45 entries ranging from 18-188cms and the average was 65cm.

All winners and highly commended will receive a mufti day for their class and a certificate.
