

Stamford Green Primary School

Welcome to our community newsletter - Issue 2

Summer 2022

Headteacher's headlines www.stamford-green.surrey.sch.uk

Dear Residents,

I do hope this newsletter finds you all well and that you are all enjoying this glorious weather! We would like to let you know about our new project taking place on our top field - the 'Path of Adventures'. The aim of the path is to allow us to access the field throughout the entire year for our daily Golden Run and to access the play equipment that is going to be built around the outer perimeter thanks to our PTA.

The PTA Colour Run - Fundraising for the Adventure Trail

Our PTA have organised a Colour Run event on Saturday 21 May from 12.00pm to 5.00pm. This aims to be a colourful, inspiring and fun event for all the children and families at the school, as well as an opportunity to raise funds for our latest project mentioned above.

Over the next few years the PTA are going to fund the building of new adventures (play equipment) for the children to use at lunchtime everyday. They will be evenly spread around the whole path so that the children can enjoy their school grounds. The aim of each 'adventure' is to encourage play and creativity so playtimes are happy for everyone.

In June, I will be working with the School Council, who will consult their classes so that the children choose what other adventures they want built around the outside of the new path.

In the meantime, we are hoping to have our first adventure, a 'Crinkle Crags Climber', installed before the summer holiday and the money raised at the PTA's Colour Run will help us achieve this goal.

Wishing you all the very best for the summer ahead.

Mrs Louise Druce
Headteacher

Dates for Diaries

Colour Run Event on the
Top Field Saturday 21 May
2022 12.00pm - 5.00pm

Term Dates

Half Term

Monday 30 May 2022 to
Friday 3 June 2022

Summer Holidays

Monday 25 July 2022 to
Wednesday 31 August
2022

We return to school for
the new term on Thursday
1 September 2022

All term dates can be
found on our school

Working together to be the best we can
Our value of the month is:

Courage

NOUN:
The ability to overcome their fears or difficulties to achieve their goals.

SYNONYMS:
Bravery, determination, Endurance, fearlessness

This is how you can show courage:

- Isaac 1MV suggests:** Persevering even when things are tricky.
- Freya 4V 3L suggests:** To be brave and if something is scary you should still do it.
- Mia-Rose 5T suggests:** You still do something even if you are scared.
- Mrs Hodgson suggests:** Being brave and attempting new things.

Working together towards a greener future

These are exciting times for our Stamford Green Eco Warriors as they embark on new duties to ensure the environment is at the heart of everything we do. Eco Warriors were voted in by their classmates in Years 2-6. They have been discussing priorities for the group and have begun weekly recycling from each classroom.

At Stamford Green, we have an Eco Code, which outlines the school's environmental priorities. The Eco Warriors engaged their classmates in creating posters for a new design for the Eco Code for display in every classroom. All the designs were put up in the studio and the Eco Warriors (and others) voted for the one they preferred. They were all fantastic and reflected the children's commitment to the environment.

We are looking forward to introducing further initiatives as we move into the summer term, including broadening recycling opportunities, litter picking, and caring for the creatures around
