School Meal Ordering FAQs

How do I choose a meal?

The menu is available to view on the system but you will not be asked to choose a specific meal. Children will be able to choose their meal at the point of service, supported by staff as necessary.

My child has a special diet so how do I order?

The school keeps a record of dietary requirements - please ensure that we are made aware of any changes. Children with special dietary requirements are identified by coloured lanyards, which are given out by their class teacher, and are supported at the point of service by a member of staff to choose an appropriate meal. Allergens are clearly identified on the menus for your information.

How long can I book meals for?

There is no set time limit for ordering meals. Meals can be ordered for the duration of the menu which currently runs to the end of the Autumn term. You can order meals up until 8.30am on the day of the meal.
