New Class Special Issue 9 - 26 June 2023

Headteacher's Headlines

Dear Parents/Carers,

Today your child will find out who their new teacher is for the next academic year and for your convenience the information, for all year groups, is on the next page. But before you turn over or scroll down...

As a school we have three HLTAs (Higher Level Teaching Assistants) Mrs Kellett, Mrs James and Mrs Howe who provide Planning, Preparation and Assessment time (PPA) and cover classes together with Mrs Cater our Spanish teacher, Mrs Rutherford our music teacher and Mrs Waldron. PPA time allows teachers time away from their classroom to plan, prepare and assess as well as carry out other required tasks. All classes will have some of their lessons taught by another member of staff to allow for class teacher PPA times. These members of staff might also be deployed to cover short term illness absence when the need arises.

Other staff news:

Welcome back to Miss Verlander and Mrs Tillen; we hope you enjoyed your maternity leave. Mrs Fahey is still on maternity leave until October. Last but not least, we say a fond goodbye to Ms Webb, Miss Abela, Mrs Garner, Mrs Trinder, Miss Woods and Mr Saunt and wish them all the best for the future.

- Ms Webb and Miss Abela both became parents this year and as a result they are reducing their commute and will be teaching at schools closer to home. Miss Abela's conscientious and kind manner will be missed as everyone loves being in her class.
- Ms Webb's teacher training during COVID certainly demonstrated her resilience! Her gentle nature will be remembered, along with the time she always gives to the pupils in her class.
- Mrs Trinder is going to be working as a TA at her son's school and we know that they will benefit from her happy to help disposition.
- Miss Woods in Nursery, has been the maternity cover for Mrs Tillen and whilst with us she has really cared for the children and ensured they have had a fantastic year.
- Mr Saunt, a TA in YR and a Room Leader at Sunset, has been with us this year before starting university. He has really embraced the varied role of a TA in YR; from helping the children with their reading to encouraging their vocabulary during exploration time; the children have really benefitted with him around.
- Mrs Garner has made an enormous contribution to sport during her time with us, and her passion for keeping everyone active has ensured that so many children have enjoyed and excelled during her lessons.

Should you have any questions about the next school year please do not hesitate to contact a member of the team, who will be happy to help.

Best wishes,

Mrs Druce
Headteacher

Acceptable use of contact details given to the PTA

At Stamford Green Primary School and Nursery, the PTA (Parent Teacher Association) may, with your permission, collect information relating to the contact details of the parents/carers of the children in the school.

The contact details collected usually consist of:

Name of child, name of parent/carer, contact telephone number and/or email address.

Contact lists for each class are collected, collated and distributed to all members of the class, by the Class PTA Representative. The information will be kept securely and all reasonable measures will be taken in ensuring that the data does not get lost or stolen.

Parents/Carers are under no obligation to give any or all of their contact details. Please note that once your mobile number is on a WhatsApp group, other people will be able to view it and use it to message you.

Rules for PTA Class Rep WhatsApp Groups

- Be kind. Negative statements about people, our school and our community are never appropriate, nor is the inclusion of any child's name other than your own.
- The purpose of the Stamford Green Primary School and Nursery Class WhatsApp Group, is to provide a digital community for Parents and Carers. It must never be used to voice grievances or drive personal agendas.
- Our goal is to share information and update the community with details on events and other information e.g useful school reminders, messages and PTA business.
- We encourage you to ask questions and share correct information. We request that you keep discussions focused directly concerning our class community.
- When posting, please use appropriate language.
- If you choose, you can post photos of your own children at school events. Do not post photos of other children.
- Messages should not breach confidentiality, defame or make threats.
- Keep in mind, what you post is public information to all that are signed up to the group.
- Do not post about concerns, problems or conflicts with individual teachers, children, parents/carers or school. Please use the right channels for this. If you have a concern, complaint or a specific question about the school or teaching, please email parents@stamford-green.surrey.sch.uk, as the class reps are NOT here to act as your go between with the school.
- Please note - class lists cannot be given out by the school.
- Please be considerate to all on the class group, including the volunteer Class Reps, by only messaging at reasonable times of the day and not late at night. There is no need to say thank you to a message so there aren't lots of messages to read.
- If the above are not followed, the following message will be posted to remind Parents/Carers of the afore mentioned rules and messages may be deleted. "As the conversation above does not adhere to the rules, for the PTA Class Rep WhatsApp Group, any further comments will be deleted. Please contact the school directly if you need to. Thank you". The rules will be sent out via WhatsApp every term, to act as a reminder.

Please always remember, in the wrong hands, anything you write on social media could be copied and 'reposted' outside and beyond the class group. Within a few minutes what you have shared could be made available openly to many more people than you ever intended.

Please keep safe by always considering unintended consequences such as including bullying/trolling.

Unacceptable uses of parent/carer contacts

If any parent/carer feels that there has been communication, which has been in breach of this agreement, please contact your Class Rep. If you need further assistance, the matter should be passed on to Mrs Druce, Headteacher. As a last resort, if a parent/carer is persistently breaking the rules, removal from group communications may be considered. Thank you.

Working together to be the best we can
Our value of the month is:

Humility

NOUN:
the quality of having a modest or low view of someone's importance.
SYNONYMS:
Modesty; humbleness.

This is how you can show humility everyday:

Kiera in Y6 suggests:
Being nice and humble.

Owen in Y6 suggests:
Don't say you are the best and be big headed.

Arjun in Y6 suggests:
Be humble and don't laugh at others.

Mrs Bowe suggests:
Humility is knowing what you're good at and sharing it in a way that makes others feel good about it too.

A Social Story

At school, we try to allay any concerns that children might have about moving up a year. The 'Meet the Teacher' morning ensures that children are familiar with their new teacher and their new classroom before the end of term. To further support any children with worries at home, please feel free to share this social story.

At the start of a new school year, lots of things change. This might include:

- Different teachers and other adults
- Different classrooms
- Different class routines
- Different lessons and timetables
- And sometimes different children

All these changes may feel uncomfortable at first. It is okay to feel a bit anxious and scared at the start of a new school year. Usually these feelings will ease up and/or go away after the first week or two.

Things that can help:

- Finding out about the changes
- Talking about any worries that you have
- Doing things that help you stay calm

All the changes of a new school year can feel uncomfortable at first but you will soon be ok.

INSPIRING AND THRIVING

This year, the school was very pleased to acquire 30 new laptops. The funding was provided by the Stamford Green Trust, thanks to the generous contributions from current parents and other donors. The old laptops that the children were using were several years old and increasingly unreliable. The latest versions have already made a real difference to the children's learning.

Many parents will know that school budgets are decreasing in real terms. The Trust is an important stream of fundraising and is a vital tool to support the school's strategic plan. Projects are identified for funding which will benefit learning and provide a lasting legacy.

Some parents chose to continue to support the Trust after their children have left us. It is a great way to maintain links with the school and support its future endeavours. With out current Year 6's, who have benefited from Trust funding, now sadly about to move on to greater things, it is never too late to support the next generation of Stamford Green learners!

Donations to the Trust can be made by:

1.) standing order (Stamford Green School Trust, account number: 71521330, sort code: 40-20-24), or,

2.) one-off donation via Scopay ([select](#) the Trust option on the homepage).

Please help us to be the best we can. Thank you so much for your support.

ACHIEVING - Celebrating Success
