Family celebrations

If your family takes part in a celebration, please email or send in photos so that your child can share them with the class!

parents@stamford-green.surrey.sch.uk

This week we are:

- Focusing on naming our new friends and teachers.
- Inviting our friends to play, or asking our friends if we can play with them.
- Thinking about what is our favorite thing to do in nursery.
- Creating artwork by printing with shapes using paint.
- Making marks using a variety of mark making tools and talking about what we have drawn.

Our skill of the week

There are lots of friendships forming in nursery. This week we are focusing on using each other's names. The staff will model how we use names to invite others to play or if we want to be part of their game. Please encourage your child to talk about their teachers and friends making sure they name them for you.

Family photos

We have started to put together our family photo display. We are still waiting on several photos. Please could you email them to us as soon as possible.

Helping your child to read

Have a great week,
