

Stamford Green

Primary School and Nursery

12 October 2023

Dear Parents/Carers,

Y5 Astrodome Workshop – Tuesday 14 November 2023

To complement our learning in science, we have arranged for Astrodome, a mobile planetarium, to visit school on Tuesday 14 November 2023. The presentation takes the children on an imaginary space flight from Earth to the outer edges of our solar system, teaching the all important movements that affect our everyday lives. It includes explanations of night and day, earth and moon systems, eclipses and much more and promises to be a very exciting and interesting morning.

You are invited to make a voluntary contribution of £5.35 to cover the cost to the school of your son/daughter taking part in the workshop described in the information set out above. We confirm that the voluntary contribution represents our estimate of the costs of providing this activity shared equally amongst all pupils. As the resources of the school are limited, the proposed workshop will not take place if there are insufficient voluntary contributions to cover the cost. If you would like to pay and are currently experiencing financial difficulties please come and discuss the event and payment with Mrs Druce as there is always a solution and absolute confidentiality is assured.

If you would like your child to take part in this workshop, you will need to log into Scopay, go to the trip section and pay £5.35 by Monday 30 October 2023. If you have any problems using the online payment system Scopay, please contact the school office.

Kind regards,

Mrs Beadle, Mrs Temlett and Miss Ozyakup
