Mr Loughlin, Year Group Leader of Learning

Hello, I'm Mr Deane-Armstrong,

Hobbies and interests:

I love keeping fit by going to the gym, swimming and cycling (mountain bike). If I get some free time, I might play video games such as Pokemon or Zelda.

People describe me as: I asked a previous class who said: "helpful, funny, makes teaching fun, understanding, kind, positive and encouraging, relatable and easy to talk to".

What is important to me:

It is important to me that you try hard in everything you do, effort, kindness and resilience are values that are very important to me as a teacher.

What I am reading at the moment:

I'm reading theories of intelligence by Howard Gardner, it talks about us all being 'smart' in our own ways.

What we might do together:

We will have lots of fun learning new things and enjoying sports together. I love the Year 6 curriculum and have fun learning with you about things like the American Civil Rights movement and algebra. We have a reward system, if you fill the jar, you get a treat. If we ever have any free time, I really enjoy quizzes and have lots of questions to test your general knowledge.
