

22 April 2024

Dear Parents/Carers,

Nursery Weekly Information – w/b 22.4.24

Celebration Photos

We have really enjoyed sharing the recent celebration photos that have been sent in. The children really benefit from these and are always super proud to talk about what they have been up to.

Water Bottles

Please ensure your child's name is written on their water bottle. Lots of children have the same ones and it is hard for them to know which one is which.

Named School jumpers

Hopefully with the weather starting to improve more children will be having to remove jumpers when they get too hot.

Please check your child's school jumper is named and that labels haven't washed or fallen off.

This week we are:

- Continuing our new theme 'Whatever Next'.
- We are carrying on building lots of creations using junk modelling materials linked to last week's story Whatever Next.
- Reading and enjoying our new story The Tiger Who Came to Tea.
- Making food for the tiger at forest school.
- Starting our RWI phonics sessions for our older children.
- Making jelly and looking at the changes it goes through from solid to liquid and back again.
- Writing invitations to the tiger.

Our skill of the week

This week we are helping carry out tasks around the classroom and outdoor areas e.g. washing up, cutting up fruit etc. We will chat to the children about being helpful. Maybe if you notice your child being super helpful at home let us know in a Wow moment. They could help lay the table, help with cooking or sweeping.

Reading focus

During our 1:1 reading sessions with the children we are recognising words beginning with the same sound. Our younger children are looking at the first letter in their name.

This week's concept words:

2 year olds

This week's concept word is: **out**

Help your child at home: At snack time, put mini-biscuits in containers and then take them out.
On the bus or in the car, look out of the window.

3 and 4 year olds

This week's concept word is: **near**

Help your child at home: Play 'Grandmother's Footsteps'. One person turns away at one end of the room. The others have to creep up behind them. The first person looks around suddenly and sees whether anyone is moving. If they are moving, they have to start again. How near can you get?

You are invited to attend our parenting workshop led by Lesley Lane from Homestart. This workshop is designed for parents/carers to learn and practice new ways to develop the relationship with their children. The aim is to encourage parents/carers to set their own goals and try out strategies that suit their own family needs. These strategies will support children with anxiety and challenging behaviour.

Book Shelf Project

Do you still have a bag of books that you are/were covering for our recent book shelf revamp? Please could we ask for any completed bags of books to be returned or let Mr Loughlin know through parents@stamford-green.surrey.sch.uk if you are still finishing your supply. Once again, a huge thank you to everyone who helped with this massive undertaking. The children are loving the new books!

Charity Stall

Every Wednesday, from Wednesday 24 April to Wednesday 15 May, some Y5 children will be doing a charity stall. All money raised will go to Cancer Research and WWF. There will be bookmarks, lucky dips, desserts and more! Everything is under £5.00 although please feel free to add extra donations – cash only. Ingredients will be on posters. It will alternate every week for the East Gate and West Gate, starting with the East Gate this week. From Arafah, Josephine, Liliana, Rose and Charlotte (5B)
