#### Our skill of the week

This week, we are continuing to help the children to recognise how others might be feeling. We will be labelling the children's feelings and asking them to try and imagine what it might be like for someone else.

## Reading Focus

During our 1:1 reading sessions with the children we are identifying words that begin with 's'. Our younger children will continue to try and spot words and signs that begin with the first letter in their name.

## Forest School

Please make sure your child has the correct clothes for Forest School sessions. Unfortunately, lots of children did not have waterproofs last week.

This week's concept words:	
<b>2 year olds</b> This week's concept word is: <b>behind</b>  Help your child at home: Explore the home and find places to go <b>behind</b> .	<b>3 and 4 year olds</b> This week's concept word is: <b>side</b>  Help your child at home: Look around the living room or bedroom and talk about what is at the <b>side</b> of the sofa, bed or television.
