Coats

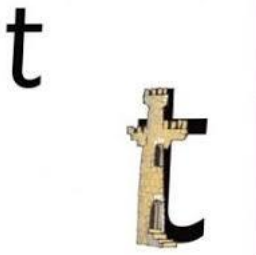

Please remember to send your child in with a coat. The weather is so changeable at the moment. On warmer days a raincoat would be perfect.

Please help!

We are experiencing a large number of children arriving late to nursery in the mornings. The South Gate closes at 8.45am. Please make sure your child arrives before the gate closes. Our day begins as soon as the children arrive in school and staff are having to repeatedly come back to the gate to let late comers in. This often disrupts our morning routines, which has a huge affect on the children's start to the day. Thank you for your support.

This week we are:

- Continuing to be 'sculptors' and creating our own sculptures both in nursery and during our Forest School sessions.
- Excited to welcome eggs in an incubator to school and will be thinking about the life cycle of a chicken.
- Practising races in preparation for our sports events
- Working out what happens when you add '1 more' to a group of objects.

Our skill of the week

This week we are practising how to collaborate with others to manage large items. An example of this would be building with our planks and crates, encouraging the children to lift and carry them together. At home the children could help you carry a shopping bag or a basket of laundry.

Reading focus

During our 1:1 reading sessions with the children we are looking or listening for the sounds we have learnt so far – m a s t.

Forest School

Please make sure your child has the correct clothes for Forest School sessions. Unfortunately, lots of children did not have waterproofs last week.

This week's concept words:	
2 year olds This week's concept word is: top Help your child at home: go on a treasure hunt around the house. Look at what is on top of the cupboards.	3 and 4 year olds This week's concept word is: front Help your child at home: when in the car, or on the bus, talk about who is in the front .
