Family Photo

Thank you for all the photos sent in so far. Please can any remaining photos be emailed to parents@stamford-green.surrey.sch.uk by 20.9.24. We are displaying the photos in the rooms to help the children settle and to talk about our families.

This week we are:

- Continuing to settle in to our new rooms and meeting our new key workers.
- Getting to know each other and making friends.
- Coming to the carpet for songs, games and stories.
- Learning how we tidy up the classroom and where all of the toys live.
- Sitting at the lunch table and staying in our seat until lunch is finished.
- Enjoying making marks using water and paint brushes.

Our skill of the week

This week we are encouraging the children to tidy away the toys they have got out. We will show them where they are kept and how to match the label to the item. Please encourage your child to try this at home.

Events coming up.

Tuesday 24 September at 2.10pm

YN Parent/Carer play session and catch up with your child's Keyworker, for children who are full time or attend Monday - Wednesday.

Thursday 28 September at 2.10pm

YN Parent/Carer play session and catch up with your child's Keyworker, for children who are full time or attend Wednesday - Friday.

This is a lovely opportunity to come and meet your child's key worker and for the children to play.

Handy Hints

The early stages of toilet training -

Keep the potty in the bathroom. If that's upstairs, keep another potty downstairs so your child can reach the potty easily wherever they are. The idea is to make sitting on the potty part of everyday life for your child.

Encourage your child to sit on the potty after meals, because digesting food often leads to an urge to do a poo. Having a book to look at or toys to play with can help your child sit still on the potty.

If your child regularly does a poo at the same time each day, leave their nappy off and suggest that they go in the potty. If your child is even the slightest bit upset by the idea, just put the nappy back on and leave it a few more weeks before trying again.

Encouraging them to use the potty to wee will help build their confidence for when they are ready to use it to poo.

As soon as you see that your child knows when they're going to wee, encourage them to use their potty. If your child slips up, just mop it up and wait for next time. It takes a while for them to get the hang of it.

If you do not make a fuss when they have an accident, they will not feel anxious and worried, and are more likely to be successful the next time. Put them in clothes that are easy to change and avoid tights and clothes with zips or lots of buttons.

We are more than happy to support toilet training in nursery, don't hesitate to ask us about it!

Have a great week,

Mrs Frost and Mrs Hughes
