

Stamford Green

Primary School and Nursery

10 February 2025

Dear Families,

Ofsted Inspection Outcome

We are delighted to share the fantastic news that Stamford Green Primary School and Nursery has retained its Outstanding rating in all areas, following our recent fully graded inspection in January. This is a testament to the hard work, dedication, and commitment of our entire school community.

Inspection dates:	7 and 8 January 2025
The quality of education	Outstanding
Behaviour and attitudes	Outstanding
Personal development	Outstanding
Leadership and management	Outstanding
Early years provision	Outstanding
Previous inspection grade	Outstanding

I encourage you to read the full Ofsted [report](#), and to celebrate this remarkable achievement with us. The children were an absolute credit to you as parents/carers but also to Stamford Green and we will be sharing the news with them in an assembly.

Some of the key findings from the report include:

- Pupils are proud to attend this highly ambitious and inspirational school.
- Pupils rightly say, 'They do not just teach us to learn, they teach us how to be ourselves'.
- The school is relentless in its drive to provide the best possible education for all pupils.
- The school quickly identifies the needs of pupils with special educational needs and/or disabilities (SEND). Pupils are then supported extremely well.
- The school's values are lived in practice. Everyone is welcome and pupils learn about different faiths and beliefs.
- [Leaders] set a clearly ambitious vision for the school. This inspires staff who aspire to meet it. This collective drive helps to create a palpable 'family-like' atmosphere which parents and carers, pupils and staff fully appreciate.

This is a significant achievement for any school, especially with the current Ofsted framework being challenging and exacting. However, for us it also serves as motivation to continue striving for excellence in everything we do. Together, we will build upon this success and continue to provide the

highest quality of education for our pupils, preparing them not only for academic success but also for the challenges and opportunities they will encounter in the future.

I would like to take this opportunity to thank you, our families, for your support and partnership in your child's educational journey. Your involvement, encouragement, and engagement play a crucial role in the success of our school, and we are immensely grateful for your ongoing assistance.

As Headteacher, I would like to personally thank each and every member of staff and the Governing Body. In the time between our inspections, the school has grown from two forms of entry to three, with the opening of the nursery too. There was the pandemic, as well as an ever challenging and changing national landscape with regard to education. Despite this, their determination to succeed, and work together for the benefit of the children at Stamford Green is awesome. I am both proud and privileged to be their Headteacher.

Best wishes,

Mrs Druce
Headteacher
