Piano Lessons Years 1- 6

Lessons are held in the piano room on Monday, Tuesday and Wednesday each week. I currently teach 33 students here and spaces are limited.

Each lesson is 30 minutes long and costs £26.

Students progress through 2 teaching books up to Grade 1 level exams, which are taken with ABRSM. Exams are optional and students can still progress brilliantly without doing exams. Alongside the teaching books and grades we play a wide variety of music, from pop, musicals and films. I also do 'Composing' Lessons where we create a new piece of music and write it on the manuscript paper.

The most important thing is for my students to enjoy learning and develop a love for playing the piano.
