Issue 2 - October 2025

Dear Families,

We hope you are all well and settled and back into the swing of school life again, after the summer break. The Reception children have been amazing at adapting to so much change for them, and seem to have settled happily into Sunrise and Sunset since they started.

Reminders

Internal clubs are currently running, please can I politely remind you to email in if you are collecting straight from the club and not at 4.30pm, this is so we know the children have safely been dismissed by the club staff. Otherwise, we would assume they are returning to Sunset and need to follow up if they have not arrived, thank you in advance for your co-operation.

If you need to get through to Sunset at anytime during the evening, please call the school office. If you are calling after 4.30pm, when the office closes, please wait for the Sunset option, which will enable you to speak to us.

The gate code for both the South Gate and East Gate between 5.30pm - 6.00pm is 7439, please do not share this code with your children, and make sure they do not see you type it in. This is to maintain security.

Sunset

Mrs Smith our Year 3 Room Leader is currently recovering from an operation and will hopefully be back with us at Sunset before the end of the year. In the meantime the Year 3 Room Leader will be by myself (Mrs Senior) on a Tuesday and Wednesday and Miss Hall on a Monday and Thursday. On Friday Miss Dray will be the Room Leader in KS2 as usual. Mr Osbourne is also giving us some extra help on Tuesdays and Wednesdays across Sunset.

Miss Coyne has now joined our Sunset team on a Monday, Tuesday and Thursday and is working across the Year 1 and Year 2 Sunset groups, she has settled in well into the team and the children love her, as do we, we are really grateful for the expertise, fun and energy she brings to the team.

Sunrise

Mrs Victor is sadly leaving us before the end of the half term and Mrs Klodos who currently works with us in Sunset will be changing her hours to work with us at Sunrise everyday in Mrs Victor's absence, we look forward to welcoming Mrs Klodos soon to the Sunrise team.

What we've been up to

Performing shows

Working on the farm

The children have been helping decorate our lovely autumn display board in the Club House making colourful handprints to use as autumnal leaves on our seasonal tree, this week they have also been making acorns to add to our tree.

The weather has been so beautiful lately that the majority of children have wanted to play outside in the lovely sunshine, making the most of the last of our lighter evenings before the winter comes.

We hope you all have a lovely weekend once it arrives, from all the Sunrise and Sunset team.

Best wishes,

Mrs Senior
