What we might do together in Year 1:

We're going to have so much fun! We'll read lots of exciting books that will take you on amazing adventures. You'll get to practise your writing and tell your own stories. In science, we will learn all about different animals. You'll also create beautiful artwork to show off your wonderful ideas. We'll explore our local area together and discover what makes it special. Plus, in Design Technology, you'll get to design and sew your very own puppet. It's going to be a fantastic year full of learning and creativity!

Hello, I'm Miss Marcazzo,

My hobbies and interests: I love spending time outdoors with my family, whether it's gardening, paddle boarding, or camping, where I can connect with nature and enjoy the fresh air.

People describe me as: creative and thoughtful. I love sharing my passion for the creative arts with others and inspiring them to think outside the box, by using their imaginations.

What is important to me: To always do your best, even when something feels a bit tricky. When you believe in yourself and keep trying, you can achieve incredible things!

My favourite books: I love sharing picture books with my daughter. I have three books I love to share and they are: *The Day the Crayons Quit*, *The Dot* and *The Extraordinary Gardener*. Each of these books are about self-belief and using your imagination.

What we might do together in Year 1:

I love stories and I'm looking forward to sharing lots of wonderful books with you, including some more 'Five Special Books'. In Year 1, we will carry on learning in Read Write Inc groups so we can get even better at reading and writing. We will learn about lots of interesting things together, and there are some exciting trips and visits too – I'm especially looking forward to learning about and visiting the Synagogue which is a special place for Jewish people.

Hello, I'm Mrs Vidal,

My hobbies and interests: I love cooking and I am always looking out for new ideas of recipes to make at home. My family and I love to watch sport together and I also enjoy jigsaw puzzles.

People describe me as: calm and friendly. I always try to help people if I can and I especially love it when I can help someone learn something new.

What is important to me: The only way to get better at anything is to practise, so I love it when I see people working hard, even when things are a bit tricky. It's always worth it in the end!

My favourite books: I enjoy sharing picture books with the children in my class – some of my favourites are *'The Smartest Giant in Town'*, *'Jabari Jumps'*, *'Perfectly Norman'* and *'Giraffes Can't Dance'*. Maybe you have a recommendation for me?
