Monday – Wednesday

What we might do together in Year 3:

I am looking forward to teaching you new skills in all subjects, especially in Maths and in PE, two of my favourite subjects. We will enjoy reading and sharing lots of great stories, poems and information texts and in the Summer, we will be visiting the Golden Hinde. I would like you to be happy in class and come into school each day with a smile on your face, ready to learn and work hard with your friends. You may even be able to earn some extra playtime or a non-uniform day as a treat!

Hello, I'm Mrs Waldron,

My hobbies and interests: I love going to the theatre and listening to live music – one of my favourite concerts was Coldplay. It was so much fun and I love their music!

People describe me as: Kind and helpful and I often like to share a joke, sing a song or make people smile! I enjoy helping others and if someone is sad or worried, I like to

What is important to me: My husband and my son are very important to me, as are my friends, with whom I enjoy walks, lunches or coffees! Good manners are a must too!

My favourite books: I enjoy reading a good thriller that keeps me hooked and wanting to turn the page – my favourites are anything by Lisa Jewell, particularly 'The Family Remains'.

Thursday – Friday

What we might do together in Year 3:

I can't wait to share new stories with you in English! I'm also excited about our science and geography work as I love learning about how the world around us was shaped and I love fossils and semi-precious stones. Having spent a special family holiday at Disney, I'm looking forward to examining Walt Disney's drawings and having taught RE at secondary schools I know we'll have some great debates when it comes to RE lessons! We'll all work together to be the best we can be.

Hello, I'm Mrs Hill,

My hobbies and interests: I am really passionate about protecting our precious planet and love spending time outdoors. I especially love feeding the baby badgers and birds at Wildlife Aid!

People describe me as: warm and empathetic – I try to imagine how other people are feeling and I like to try to make everyone I meet each day feel a little bit more happy and smiley.

What is important to me: my family, including Mr Hill, two daughters and three guinea pigs! It's also very important to me to try to treat other people as we would want to be treated ourselves.

My favourite books: I love a good book! The Boy at the Back of the Class really made me think. I enjoy Michael Morpurgo's vivid descriptions, so anything written by him, too!
