## Primary School and Nursery

Extended  
Services

Welcome to Our Extended Services Newsletter

Issue 3 - November 2025

Dear Families,

I hope you all had a lovely half term break, and are all looking forward to all the upcoming festivities, I apologise in advance for all the glitter!

### Reminders

Thank you for your patience during the PCTC evenings, the children are always so good at adapting to any changes we have to make on evenings like this for Sunset, and quite enjoy the experience of a 'takeaway tea' evening.

Please remember now that Internal Clubs are running again, to email me if you decide to collect your child straight from the club rather than coming back to Sunset.

On the last day of term in December, school closes early. Therefore, if your child usually is collected at 4.30pm from Sunset, they will need to be collected at 2.30pm. If your child usually stays for the full session, pick up will be between 3.30pm - 4.00pm. If you need your child to stay for the full session that day, please do not hesitate to email in and we can extend their booked session for them.

### Sunset

We said our goodbyes to Mrs Galluci last half term, who worked with us in our Reception Sunset team on a Monday. Miss Fletcher who is currently a TA at Stamford Green has now also joined the Sunset team on a Monday evening, caring for the Reception children, we are really happy that she is part of our team.

Miss Hawken will be off for a couple of weeks recovering from an operation so Miss Herrington, who works in our KS1 Sunset team is currently covering in her absence. She is very loved by the Reception children and knows them well from during the school day.

### Sunrise

Miss Hitchcock will be going off on maternity leave at the end of today and we are all so excited for Miss Hitchcock and her family and wish her well. We have Mrs Whelan joining us at Sunrise everyday whilst Miss Hitchcock is on maternity leave. Mrs Whelan has been working at the school as a TA for some time and is excited to become part of the Sunrise team as well.

## What we've been up to recently

### Playing rugby

### Reception Pumpkin designing

### Sunrise teamwork making a water pipe collector

We have recently mixed the KS2 children up at registration time with alternating classes daily. This is so that all the year groups get to know each other better and form positive relationships. Sunrise already operates using mixed age groups and works so well. The Sunset children have been positive and it has encouraged new friendships, especially amongst the sport games. The staff have reported that it has been lovely to watch some children really gain their confidence socially.

You can see above in one of our photos, nearly all the children at Sunrise were playing outside and came together to make a guttering trail to collect water. They were all so excited finding different loose parts pieces to keep the trail growing.

We had lots of autumnal art themed masterpieces created and indoor group games when the weather was wet and wild some days.

The Sunrise and Sunset team hope you all have a lovely weekend.

Best wishes,  
Mrs Senior
