We are working on putting our coats, hats and gloves on independently. Please can you practise with your child at home. And make sure that all items have your child's name in.

Number of the week

Cygnets: This week we will revisit the number 3.

Swans: This week we are learning about the number seven.

7

Across the sky and down from heaven, now I've made the number 7.

How many ways can you make 7?

Reading Focus

This week we are encouraging all the children to think about how we take care of our books. We will show them where our books need to be kept when they have finished with them. We will talk about how to handle books carefully so they don't get ripped or torn or trodden on. We will link this to one of our school rules where we respect our belongings and each other.

Word Aware

Each week we introduce the children to some new words and use them in lots of different contexts to really deepen their understanding. Below are some ways you can support and reinforce this learning at home.

This week's concept words:	
<p>Cygnets This week's concept word is: wet.</p> <p>At bath-time, talk about wet and not wet. Talk about towels, face cloths, hair and bodies being wet.</p>	<p>Swans This week's concept word is: large.</p> <p>When you are walking home, look for and talk about things that are large, such as large houses, large trees, large gardens or large cars.</p>
