INSPIRING

Welcome to our School Newsletter - Issue 4 - December 2025

Headteacher's Headlines

Dear Families,

Over the past few weeks we have been treated to ten brilliant festive performances, where the children have excelled and the staff have been very proud of their achievements. My thanks to all the staff involved especially those that turn the hall around after Sunrise have eaten breakfast, ready for each audience to take their seats. At the Y2 performance, we celebrated the fact that Mrs Williams has been teaching at Stamford Green for 20 years. Her dedication to each of her classes and her commitment to supporting the school's enrichment opportunities over the years is second to none and I thank her for all her contributions to Stamford Green since 2005!

We have welcomed three new Teaching Assistants to the Stamford Green team in December: Miss Isaacs, Miss Routledge and Miss Edwards. They have all been getting to know the children and have also enjoyed the Christmas performances - a real treat if you work in a school.

On page 6 of this newsletter, you will find some reminders about safe parking and driving. Last week a parent was hurt by a car as she took action to keep her child safe. Maybe 2026 is a time for some new habits so that we look after everyone in our community. We will always keep the children safe or welcome them with a smile if you are running late and need to park further away and walk. Better safe than sorry.

As per the newsletter before the summer holiday, should you need to contact a DSL (Designated Safeguarding Lead), about a safeguarding matter, Miss Swann, Mrs Dray and I are working during the Christmas holiday so please email dsl@stamford-green.surrey.sch.uk if you need to.

Finally, in Sunrise last week, I heard Elodie and Masie listening to Phoebe regale an entertaining account of her cheeky elf's escapades. The joy and laughter from the children was a delight to observe and reminded me of what a special time of the year it is when you are a child; thanks to the magic the adults create. Not long until the elves return to the North Pole, although I am sure you are counting the days as much as the children!

Wishing you a restful and joyous Christmas and we look forward to welcoming everyone back on Tuesday 6 January 2026.

Mrs Druce
Headteacher

Thank you for still remembering to follow the preferred route round **Christ Church Mount** and keeping the school to your left!

We would like to extend a huge thank you to all our families who have contributed to the Trust Fund this year whether it be through donations, payroll giving or fundraising events. One of the key spending priorities recently has been to support the upgrade of the stage, sound and lighting in the school hall which we hope you enjoyed seeing in use during the Christmas performances. It is fantastic for the children to have proper facilities to support their performances. The Trust Fund Trustees are currently developing spending plans to ensure that the Trust continues to support learning at Stamford Green by providing the things that our core schools funding cannot. We will share these plans with you in the Spring Term. If you would like to know more about the Trust Fund or to make a donation, please see our [website](#).

I've always wondered...

Ahead of the spring term, here is a reminder of our internal club rules

- All club members will be registered promptly at the beginning of the club. All home contact details must be up to date so that parents/carers can be contacted in the event of the child present for school but absent from the club.
- If a child is unable to attend a club then the teacher leading the club must be notified beforehand via email. parents@stamford-green.surrey.sch.uk
- If your child is absent from school due to illness, please mention that they will not be attending the club when you fill in the absence Google Form.
- If a child misses two sessions without a valid reason, or is collected late on two occasions, their place will be offered to another child.
- Internal extra curricular clubs will finish promptly, so please be on time to collect your child.

All children attending internal clubs will be expected to be ready, respectful and safe and unfortunately, your child's club place will be in jeopardy if the school rules aren't followed.

Community Corner

Our star baker Community Prefects whipped up some delicious baked goods to raise money for GOSH. They raised a total of **£413.40**

Thank you to all involved for your help and support.

12 Smartphone Online Safety Tips FOR CHILDREN WITH NEW DEVICES

The Christmas season has finally arrived and soon many of you will be opening your presents in the hope that Santa has listened to your request for the latest mobile phone or smart device. Owning a mobile phone can be fun, but it's important to use it safely and responsibly. By following our safety tips below, you can make sure that you set up your phone securely, keep your personal information private and enjoy using your phone in the healthiest way possible.

- 1 ALWAYS SECURE YOUR PHONE WITH A PASSWORD**
This will help to keep your private information safe and won't allow others to access your phone without your permission. Make sure your password is memorable and personal to you but something which other people can't guess, and always share it with your parents just in case you forget it.
- 2 DISABLE LOCATION SETTINGS**
This can usually be done from the device's privacy control settings. Disabling location settings means that your phone can't be tracked by others and strangers can't tell where you are when you're using it. It also helps to save battery.
- 3 ALWAYS USE A SECURE WIFI NETWORK**
When you use your WiFi at home usually it's a secure network that only you and your family know the password to. Public networks, like those in coffee shops, can be accessed by anyone which means that people could potentially hack into your device and access your personal information without you realising.
- 4 ONLY PAIR WITH BLUETOOTH DEVICES YOU KNOW**
A Bluetooth connection with another device means that you can send and receive data wirelessly. For example, you could listen to music wirelessly or receive pictures and videos from your friends. However, pairing your phone with a device you don't know means that you could be sharing personal information with a stranger or could leave your device open to receiving viruses.
- 5 ONLY USE APPS WHICH YOU ARE OLD ENOUGH TO USE**
Before downloading any new apps, always check the age-rating of the app. If you need help, ask your parent or carer to make sure that the app is safe for you to use and never download anything which you are too young for as it may contain things that aren't safe for you to see.
- 6 BEWARE OF BECOMING ADDICTED TO YOUR PHONE**
Your phone can be fun to use and it's easy to become too attached, whether it's keeping in touch with friends, discovering new features or downloading the latest apps. Remember it's always good to talk to people, go out and have fun, and get regular exercise. This will help you fit and healthy and make you appreciate there's more to life than just your mobile phone.
- 7 LIMIT YOUR SCREEN TIME**
Using your phone for too long, particularly in the evenings, can make you feel tired at school, affect your concentration and make you lose interest in other things in life. Only use your phone at certain times of the day and don't use it close to bedtime. You can set a 'screen time limit' via the settings on your phone. This will help you stay fit and healthy and means that you will still be able to focus and perform well at school.
- 8 THINK OF OTHERS WHEN TAKING PHOTOS**
Don't take embarrassing photos of other people on your phone. If other people get access to the photos and share it with more people, it could make that person really upset and treated as a form of bullying. Always be mindful of the photos you take using your camera and who you share them with.
- 9 MAKE SURE YOUR PARENTS SET UP 'PARENTAL CONTROLS'**
This means that you will be able to use your phone safely and securely and won't accidentally do things you shouldn't do. The best time to do this is when you get a new phone or device so that you're protected from the very beginning.
- 10 ALWAYS TALK TO YOUR PARENTS IF YOU DON'T FEEL SAFE**
Sometimes, even though your phone is really secure, you might see something you don't like, or someone might contact you who you don't know. If this happens, always tell your trusted adult like your parents, carers, other adult family members or a teacher, all of whom will be able to support you and advise you on what you should do next.
- 11 DON'T TEXT AND WALK**
This might seem like a strange thing to say but it can be dangerous to stare at your mobile phone whilst walking outside alongside busy roads or cycle paths. In some cases, children have been knocked over by cars or cyclists because they haven't been aware of their surroundings whilst texting or playing games on their mobile devices.
- 12 DON'T SHARE YOUR NUMBER OR YOUR DEVICE WITH PEOPLE YOU DON'T KNOW.**
Never feel pressured into sharing your phone number with people you don't know and don't lend your phone to strangers or keep it where others could get hold of it. Look after your device and always keep it hidden from sight to avoid it being stolen or lost.

The [Children Young People \(CYP\) Havens](#) are a welcoming space for 10 to 18 year olds to talk about worries and mental health in confidence. Provided by Surrey County Council.

Out of hours advice line

A free out-of-hours phone line provides advice to parents and carers who are struggling with behaviours or difficulties which could be related to neurodevelopmental need, such as autism or ADHD. It runs from 5pm until 11pm, seven days a week, 365 days a year. Please call 0300 222 5755

ATTENDANCE REMINDER

Just to remind Parents/Carers that if you take their children out of school without authority for 5 or more days (which do not have to be consecutive), then the following will apply:

1. If you have not incurred a penalty notice relating to this child/children in a rolling 3 year period since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per Parent/Carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per Parent/Carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, **per Parent/Carer per child**, in the Magistrates Court under s 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.

SAFEGUARDING

At Stamford Green Primary School and Nursery, safeguarding is paramount, and we are fully committed to ensuring the safety and wellbeing of every child in our care. Adults, including staff members and volunteers, are subject to rigorous safeguarding checks prior to working with pupils. These include enhanced Disclosure and Barring Service (DBS) checks, reference verification, and ongoing training in child protection and safeguarding procedures. We foster a strong culture of vigilance in which every adult understands their duty to keep children safe and feels confident in recognising and appropriately reporting any concerns.

To further uphold our high standards of safety, we operate a robust colour coded lanyard system that clearly identifies the level of access each adult has to work with children. This system applies to all staff, volunteers and visitors, ensuring that authorised adults are easily identifiable through the school. In 2026 we have our next round of prospective family tours and at these open mornings visitors will have a red visitor lanyard and are counted in and out of the premises.

Our pupils are also taught to recognise and understand the lanyard system, empowering them to contribute actively to maintaining a safe and secure environment.

Through these comprehensive measures, we continue to provide a trusted, nurturing setting where every child can learn, develop and thrive.

ATTENDANCE WHAT THE NEW RULES MEAN FOR ME

1 I'm a single parent of one child and we want to go on holiday for a week.
Your holiday will not be authorised and you must talk to the school before you book anything. Because your child will miss 5 school days you will be given a penalty notice fine.
The fine is £160 but if you pay it in 21 days it will be reduced to £80.
£160

2 FOR EVERY CHILD A PENALTY IS GIVEN.
+ £160 + £160 + £160 + £160
4 children & 1 parent = £640
Reduced to £320 if paid in 21 days

IRREGULAR ATTENDANCE
10 IN 10
If your child is absent for 10 or more sessions in 10 weeks and their absences are unauthorised. The school will consider prosecution.
1 Day = 2 Sessions

3 FOR A FAMILY OF TWO PARENTS
+ £160 + £160 + £160 + £160
4 children & 2 parents = £1280
Reduced to £640 if paid in 21 days

If in any period of not more than 3 years, your child has a 2nd and 3rd leave of absence or pattern of irregular attendance...

4 **2ND TIME**
2 parents and 1 child = £320
2 children = 640
3 children = 960
4 children = 1280
No discount for early payment

3RD TIME
A penalty notice fine will not be given. Instead, your case will be taken to court.
A magistrate can fine each parent £2500 for each child
1 parent & 4 children = £10,000
2 parents & 4 children = £20,000

Library Books Plea

In the last two stock takes, it has come to light that over 100 books have not been returned to our library.

This is an enormous amount of books and there is not a pot of money to replace them with.

Please check at home and bring any school books back in January.

Above and Beyond

Alfie and Eden in Y3 have been so inspired by all the biography work they have been doing in English this term, here they are in Bourne Hall library devouring all the Little People, Big Dreams books they could find!

We'd love to hear all the facts you learned too !

If your child has gone above and beyond, and would like to be featured in the school newsletter, please send us an email and we can include them in future editions.

Governor Dispatch

Maths Curriculum — Governor Visit

Earlier this month, I met with Mr Loughlin to review and follow up on progress with the maths raising achievement plan. During our discussion, we focused on several key areas that are shaping maths teaching and learning across the school. A major emphasis has been on strengthening foundational skills in Years 2 and 3, with activities such as accurate number formation becoming a daily routine. We discussed the ongoing use of assessments to identify gaps in knowledge, ensuring tailored support for the children, and we also looked closely at data and statistics (it was a maths review after all), which all paint a very positive picture.

One theme we explored was how the school can support families with maths at home, as many parents simply feel less confident with maths than with reading or English —something the staff fully understand. To help with this, the school is planning a KS2 parent workshop, building on the successful KS1 sessions already in place, to offer friendly, practical ideas for making maths feel more manageable and enjoyable at home.

It was encouraging to see the good progress being made against the action plan and the steady, ongoing improvements across the school.

Challenge Corner

The **Young Artists' Summer Show** is an exciting opportunity for children aged 4–18 across the UK to exhibit their artwork online and at the **Royal Academy of Arts**.

Art can be produced in any size and using any materials. The work will need to be photographed and uploaded to the RA website from **Monday 5 January 2026**. Parents/Carers can submit artwork on behalf of children and the artwork will then be judged by a panel of artists and art professionals. Selected artworks will be displayed online and on-site at the Royal Academy of Arts.

Here is a link to view the 2025 online exhibition:

<https://youngartists.royalacademy.org.uk/exhibitions/2025>

You may find it helpful to look at other children's work to give you some inspiration.

Alternatively, you may have been inspired by your art curriculum at school and could create a piece of work linked to the current artist.

COMMUNITY

If you do need to drive your child to school please consider parking a short distance from the school. This is a good way for them to start the day and has the added benefit of reducing traffic in the local roads around the school.

Please do park safely and legally - even if you are running late.

Please make sure any blue badges are on display if you are parking on a double yellow line.

VALUES

Our value of the month is: Co-operation

Working together to be the best we can
Our value of the month is:

Co-operation

ADJECTIVES: Working together to achieve an end goal.
SYNONYMS: Combined, teamwork, collaboration, working together

Alone we are smart. Together we are brilliant.
- Steve Anderson

This is how you can show your caring everyday:

Fatima in 5J suggests: Working together to make us the best people we can be.	Mrs Druce suggests: Working together to be the best we can means that we can do so much together.	Miss Jenkins suggests: Alone we can do so little, together we can do so much.	Mrs Edwards suggests: Working together gets the job done!
---	---	---	---

Parking Etiquette

Do park safely and legally - even if you are running late.

Do follow the Highway Code and avoid stopping on white lines and yellow school zig zags.

Do not park illegally (this includes double and single yellow lines).

Do not park across driveways or road entrances thus blocking them for other road users.

Southfield Park Primary School is recruiting a caretaker...

We are seeking to appoint a highly motivated, proactive, skilled and reliable individual to take on our caretaker role.

We are a forward thinking and dynamic school where we all work together as a team. Please look at our website for further details.

INSPIRING AND THRIVING

Year 4 art club have been busy artists this term, using paints to bring the seasons to life!

Each pupil created a beautiful tree showing all four seasons, capturing the unique colours and moods of spring, summer, autumn, and winter.

HAPPINESS

This December, our school will be taking part in a Kindness Advent Calendar! Instead of opening a door to find a chocolate or picture, we will open a door to find a kindness challenge. Each day, during the school days of December, classes will be invited to complete a small act of kindness that helps others feel happy, included, and cared for.

These challenges might include simple tasks such as:

- Smiling at three new people
- Helping someone carry their belongings
- Saying thank you to an adult who helps you
- Writing a kind note to a friend or teacher

Kindness doesn't need to be big or expensive. Even a small act can make someone's day brighter! By taking part, we hope to spread joy around our classrooms, playground, and community as we count down to the Christmas holidays.

You are all welcome to join in at home too—ask your children what the day's kindness challenge is and see how you can do it together.

What's in the News?

In the news this week

On Friday, the Princess of Wales will host her annual carol service, which will bring people together to celebrate kindness, connection, and community. The event aims to show how love can link people of all ages, backgrounds, and beliefs, especially at times when the world can feel divided. It encourages everyone to think about the power of togetherness and the importance of supporting one another with compassion and joy.

Things to talk about at home ...

- > Talk to someone at home – are they interested in this concert? Do you or they believe it will achieve its aim in bringing people together?
- > Are there any services, concerts, or events that you will be attending during the festive period?
- > Talk about what 'togetherness' means to you and your people at home.

How important is it to feel a sense of togetherness?

Diversity Equality, Inclusion and Belonging

We are celebrating Disability History Month, which runs from mid-November to mid-December every year. Did you know that 25% of people in the UK have some form of disability, including 11% of children? Not all disabilities are visible and a disability doesn't mean that a person can't enjoy life. We recognise that everyone has unique abilities, but those with disabilities need fair, tailored support (equity) to have equal opportunities so everyone can fully participate, succeed and thrive.
