

Stamford Green

Primary School and Nursery

26 January 2026

Dear Parents/Carers,

Club Room Weekly Information – w/b 26.1.26

Golden Books

We hope that you have loved seeing the Golden Books over the weekend. Once you have written a positive comment in them, please return so they're ready for the summer term.

Delicious Pizzas!

Pizza making was a great success! We were so impressed with the effort and focus the children put in to making them.

Y6 Practice National Curriculum Tests (NCTs)

This week Year 6 will be taking part in the practice NCTs.

Best of luck to all of the children. We are so proud of all your hard work this year and this week is a perfect time to show case all your efforts.

Our Second Hand Uniform Shop will be open on Friday 30 January between 8.35am – 9.00am in the Club House. Please enter and exit via the South Gate. All items are priced at £1 each.

Zones of Regulation

This week, we will focus on how we feel when we are in the Yellow Zone, especially noticing feelings of excitement and nervous energy. We will explore how these feelings show up in our bodies and how we can communicate effectively when we are in the Yellow Zone. We will also be sharing strategies that help us manage excitement and nerves so we can stay focused and ready to learn.

Values

Our Club Room value of the week is self-belief. With Year 6 having their practice NCTs, we will be reminding all children to trust in their abilities, stay confident and do their very best when faced with challenges.

Learning

Our aims for the children's learning this week are:

Learning in the **EYFS** will take a play-based approach to identifying and sorting 2D shapes through practical and engaging activities. There will be a continued emphasis on supporting smooth transitions throughout the day.

In **Key Stage 1**, children will take part in play-based activities link to the yellow zone and identifying excitement and nervous energy.

In **Key Stage 2**, children will continue to engage in personalised English and mathematics activities. Children who are taking part in the Year 6 practice NCTs, will have a specific focus on reading, grammar and spelling.

Have a great week!

Miss Burgess and Mrs Thomas
Club Room Teachers
