Issue 4 - February 2026

Dear Families,

I hope you all had a wonderful Christmas break, although a distant memory and we're heading fast to the next half term.

Reminders

When collecting from Sunset at the later pick up, please can you not prop open the gates for fellow parent/carers, this is for the children's safety. Please can we also not share the gate code with your children, it is imperative we keep the children safe during this time, we all need to work together to ensure the children's safety and welfare are met, thank you.

When dropping off at Sunrise, please ensure you arrive for your time slot drop off in time, these times are 7.30am, 7.45am and 8.15am, staff welcoming the children are only able to wait at the gate for a few minutes. If you miss your time slot, please wait at the South Gate for the next time slot, please do not knock at the School Office or ask a teacher if they can take your child in with them, as this is not our procedure, thank you.

Sunset

Following a successful trial of dismissing the KS2 Sunset children from the East Gate at 4.30pm, we will now continue this permanently. The School Office doors will be used for the Reception and KS1 children to enable a safer dismissal for all children. Our terms and conditions have been updated to reflect this change.

Before Christmas the children enjoyed lots of Christmas activities including making cards, calendars, biscuit decorating, hot chocolates and Christmas movie week, where the children had the extra option of attending the Sunset cinema on the big screen in the Studio.

Enjoying hot chocolates

'Just Dance'

Construction in the making area

Sunrise

The children at Sunrise are always so kind and helpful and I think this should be noted due to all the children, from all year groups, using the hall at the same time. There is an understanding of looking out for the younger children and guiding them. The Reception children go in a couple of minutes earlier to the rest of Sunrise to collect their belongings and start their walk up to class, there are always so many helpers on hand wanting to look out for the Reception children, and it is really lovely to see kindness being used.

What we've been up to recently

Since returning to school, the children have been making fossils using air dry clay, they have completed our spring term display board with the children's artwork and handprint designs. The children made some lovely 'Northern lights' chalk pictures as well as furry highland cow's and flower paintings using forks.

Terms and conditions update

Unfortunately there is not the staffing capacity to take Sunset children to any after school sales, so please do not send in money as we cannot be responsible for any loss.

The PTA will be asking parent/carers to volunteer so that any sales that happen where possible, after school can also happen after Sunset at 4.30pm and 5.30pm, if you wish to volunteer for any upcoming events, please email the PTA directly pta@stamford-green.surrey.sch.uk
Volunteers have been sourced for the Wonka Bar Sales so please see the poster that has been sent home for information.

The Sunrise and Sunset team hope you all have a lovely weekend.

Best wishes,

Mrs Senior
Extended Services Leader
