## Primary School and Nursery

11 February 2026

Dear Parent/Carer,

### **YR ZooLab Workshop Thursday 12 March 2026**

As part of this term's learning, we have arranged a visit by ZooLab to school on Thursday 12 March 2026. They will be bringing in a variety of creatures for the children to see and will answer all of their questions too. It promises to be an exciting and engaging learning experience for our Reception children.

You are invited to make a voluntary contribution of £7.05 to cover the cost to the school of your child taking part in the activity described in the information set out above. We confirm that the voluntary contribution represents our estimate of the costs of providing this activity shared equally amongst all pupils. As the resources of the school are limited, the proposed activity will not take place if there are insufficient voluntary contributions to cover the cost of the activity. If you are currently experiencing financial difficulties please come and discuss the visit and payment with Mrs Druce as there is always a solution and absolute confidentiality is assured. For families in receipt of Pupil Premium/Free School Meals, the premium will cover the cost of your child taking part.

If you agree to your child participating in the activity, you will need to log into Scopay and go to the trip section and pay the voluntary contribution of £7.05. The deadline for payment is 25 February 2026. If you have any problems using the online payment system Scopay, please contact the office [parents@stamford-green.surrey.sch.uk](mailto:parents@stamford-green.surrey.sch.uk).

Thank you for your anticipated support.

Mrs Ball, Mrs Price and Miss Ocraft  
YR Class Teachers
