

# Stamford Green

## Primary School and Nursery

16 March 2026

Dear Parents/Carers,

### Club Room Weekly Information – w/b 16.3.26

#### Comic Relief

This Friday the school will be celebrating Red Nose Day.

The children are welcome to come to school in their own clothes for a small donation.

However, if they would prefer to come in in their school uniform they are more than welcome to.

You can scan this QR code to donate.

#### PCTCs

I am very much looking forward to seeing you at PCTCs this week and next.

There will be an opportunity for you to have a look at some of the work your child has done after our meeting.

I will have the books/ folders and will pass them to you.

Please leave them at the office after you have finished with them.

#### Library Books

We encourage all children to explore the library within the week. If they have a book that they wish to return please encourage them to bring these in so that they can be changed.

#### Zones of Regulation

This week we are to revisit how we feel when we are in the Green Zone and how we can communicate effectively. We will be reminding ourselves what helps us to remain in the Green Zone also.

#### Values

This week our school value is **Good Manners**. The children will be learning how the way we communicate with others can have a positive impact and help us build and maintain strong, respectful relationships.

#### Learning

This week our aims are:

In **EYFS**, learning will be play-based, with a continued focus on supporting smooth transitions throughout the day. Children will also be exploring emotions, learning how to recognise and sort different feelings by looking at facial expressions.

In **Key Stage 1**, children will take part in play-based activities that encourage them to try their best, persevere when faced with challenges, and learn from their mistakes.

In **Key Stage 2**, children will continue to engage in bespoke English and mathematics activities tailored to their individual needs. Some children will also be taking part in activities linked to Year 4 Evacuee Day.

Have a lovely week!

Miss Burgess and Mrs Thomas
