

13 April 2026

Dear Parents/Carers,

### **Year 5 Bikeability - Level 2 Training Course 8 - 12 June 2026 or 15 - 19 June 2026**

We have been liaising with Surrey County Council who are offering Year 5 children, a Bikeability Level 2 Training course. The course will last for five days. The first day is spent off road in the school playground to improve control skills, this will prepare the children for the following four days on the roads. This course is for children who can already ride a bicycle. To participate, the children need to show that they can look behind without losing control and take one hand off the handle bar without losing control.

Five groups of six children will be taught from across the year in the sessions. Each session will last for one and a half hours per day. The cost is £16.00 per child or free for those pupils in receipt of Pupil Premium funding. If you are eligible for the discount, we will write to you separately.

The children's bicycles will need to be in school every day and we recommend a sturdy bike lock is brought to school so it can be used. They will be stored around the Ball Cage during the school day and children can bring them to school each day when they arrive, along with a helmet, which must be worn.

At the end of the course, your child will receive a certificate showing which skills they have demonstrated at the National Standard and which, if any, require more practice.

If you would like your child to participate in the Bikeability Level 2 Training Course, you will need to click the following [link](#) and ensure consent is given at step two of the booking process.

Bookings need to be completed by **Friday 24 April 2026**. If your child does not wish to take part please can you let us know via email. [parents@stamford-green.surrey.sch.uk](mailto:parents@stamford-green.surrey.sch.uk)

Your child will not be able to participate if the consent form and payment to Bikeability is not completed.

Once the deadline has passed, we will organise the children into groups and you will be notified by email, via Surrey Cycle Training, the dates and time of their Bikeability course.

If you have any queries, please do not hesitate to contact us.

Best wishes,

Mrs L Druce  
Headteacher
