

Stamford Green

Primary School and Nursery

2 June 2026

Dear Parent/Carer,

Conservation Evening – Thursday 11 June

We are very excited that our first ever Conservation Evening is nearly here! Eco Warriors and Eco Club members have been working incredibly hard to make this a fantastic celebration of Sir David Attenborough's milestone birthday and they look forward to welcoming you.

The event will take place in the school hall from 6.00pm - 8.00pm next Thursday 11 June. As well as short presentations and information stands from local wildlife groups, our pupils will be happy to talk you through little changes we can all make to safeguard our precious planet. They will also be staffing craft and refreshment stalls to raise much-needed funds for wildlife conservation, all as their way of honouring Sir David's legacy.

Our newly appointed Mayor, Cllr Lucie McIntyre, and our MP Helen Maguire have both accepted our invitation and we are delighted by their support of our pupils' passion. We look forward to adding their messages to the 'tree of hope' we will be creating on the evening: Sir David's most important message is that, by working together with optimism and determination, we can repair much of the damage done to the environment in recent decades.

To organise refreshments, we should be very grateful if you would complete this [Google Form](#) by Friday 5 June to let us know how many children and accompanying adults will be coming from your household. We should also be hugely grateful for any donations of cakes or cookies to sell on the evening to help us meet our fundraising target of £200. These can be brought into school on Wednesday and Thursday mornings next week. As an allergy aware school, we politely remind you that we cannot accept bakes including nuts, thank you.

Finally, if your child/children is an Eco Warrior or attended Eco Club this year and is able to help at the event, we should be grateful for their arrival at 5.45pm to help with the final set up and be ready to welcome guests. Accompanying adults will be invited in as soon as the doors open.

Many thanks for your support in making this pupil-led initiative an inspiring community event.

Kind regards,

Mrs R Hill
Y3 Teacher
