Dear Parents/Carers,

### **Dance Festival 2026 – Filmed Information**

We are looking forward to our upcoming Dance Festival and are excited for the children to showcase all their hard work.

As the event will be professionally recorded, we would like to make Parents/Carers aware that not all participating children have permission to be photographed or filmed. To ensure we comply with safeguarding and privacy requirements, some children may appear blurred or obscured in the final recording.

This may be noticeable during their performance, and we wanted to make you aware of this before copies of the video are made available for purchase.

Thank you for your understanding and support in helping us protect the privacy of all children while celebrating this special event.

If you have any questions, please do not hesitate to contact us.

Kind regards,

Mrs James  
Higher Level Teaching Assistant (HLTA)
