

Stamford Green

Primary School and Nursery

15 June 2026

Dear Parents/Carers,

Club Room Weekly Information – w/b 15.6.26

Y6 Residential

This week Miss Burgess and some of the Club Room children will be at PGL from Monday to Friday. The Year 6 team will be updating Instagram with photo updates!

Email reminder

Just a reminder, that as Miss Burgess will be at PGL this week, emails will take longer to respond. Please rest assured that she will get back to you as soon as she possibly can.

A reminder about a great resource:

The Witherslack Group has some excellent resources to further support your child's additional needs.

Zones of Regulation

This week, we will be focusing on the Yellow Zone and how we feel during changes in routine. We will help the children recognise when they may be feeling worried, excited and scared and discuss supportive ways to respond when we are in this zone.

Values

Our Club Room values this week continue to be friendship and team building. Those going on the Y6 residential as well as those in the Club Room will be working together and supporting each other to problem-solve.

Learning

Our learning aims for the children this week are as follows:

In the EYFS and Key Stage 1, we will be continuing to develop their speaking and sentence-building skills using colourful semantics. They will use this structure to answer questions using the colourful semantics template. We will also be continuing to develop our engagement with sensory circuits.

In Key Stage 2, the children will work on their individual maths and English activities. We will be continuing our work on celebrating differences and understanding prejudice and discrimination in an age-appropriate way. We will look at what makes us unique.

Have an amazing week.

Miss Burgess and Mrs Thomas
